Subject: FULL DISTANCE LEARNING?????
Date: Friday, August 14, 2020 8:24:38 AM

YOU GUYS ARE A DISGRACE ASSOCIATING YOURSELVES TO OUR CHILDRENS LIVES!!!! YOU MIGHT AS WELL BE PART OF PLANNED PARENTHOOD SINCE ALL YOU CARE ABOUT ARE YOUR TEACHERS AND DEFINITELY NOT THE BEST INTEREST OF OUR CHILDREN!!! YOU HIDE BEHIND THIS COVID LIKE A COWARD FOR GOING FULL DISTANCE LEARNING WHILE PRIVATE SCHOOLS ARE OPENING FULL TIME 5 DAYS/WEEK IN PERSON LEARNING AND MOAPA VALLEY SCHOOLS ARE DOING HYBRID.... HOW DOES THAT MAKE SENSE?? IF THIS COVID WAS REALLY THE REASON THEN ALL SCHOOLS WOULD BE CLOSED JUST AS IT WAS IN THE BEGINNING OF THIS PANDEMIC IN MARCH.... DO YOURSELVES A FAVOR AND JUST BE PART OF CCSD PUBLIC SCHOOL REGULATIONS BECAUSE WHEN PARENTS LIKE I AND MANY OTHERS HEAR CHARTER SCHOOLS, WE HOLD THEM TO HIGHER STANDARDS AND EXPECT THEM TO PUT OUR CHILDREN FIRST AND NOT YOUR TEACHERS!! YOU GUYS ARE TRULY EVIL IN DISGUISE!!!

Subject:FULL DISTANCE LEARNING?????

Hello,

If this was about Covid please explain to me why private schools are open full 5 days in school learning and also have an option for distance learning? Also, the public schools in Moapa Valley is doing hybrid learning with option of full distance. If you are truly concern about the children and not SOLEY ON TEACHERS, we should have our children back in school and have no screen time which damages their frontal lobe part of the brain and inhibits their development. I'm a parent of 1st grader and we do not condone any electronic screen time for hours. I am very outrage on your decision on going full distance learning! Again, I expect this from public schools since they are controlled by teacher's union and only look after for the best interest of their teachers and not our children who needs our help. I thought that charter schools are where parent's voices are heard, but apparently not in this situation. It is very obvious that just like public schools, you will use this pandemic to serve and bow down only to your teachers. I regret volunteering & believing in your schools! It's times like this that shows your true colors.

VERY DISAPPOINTING PARENT!!!!!!
