

Assembly Bill 78

Requirements of Assembly Bill 78

As a reminder, AB 78 resulted in

- 1 • Wind down of Achievement School District and transition of schools to SPCSA
- 2 • Codify requirements for NDE review of charter school sponsors every three years
- 3 • Addition of two board members appointed by State Board of Education
- 4 • Clarification of SPCSA's role as a Local Education Agency
- 5 • Clarification regarding enrollment requirements

Regulation Workshops

The SPCSA continues to work with the Nevada Department of Education on regulations, including

- Workshop regarding “charter schools for distance education” (SB 441)

Summary

- SPCSA-sponsored schools are providing students with the opportunity to excel and our agency is focused on increasing access for historically underserved student groups
- We are committed to fulfilling legislative requirements
- We are continuing to evaluate our practices in order to enable ongoing improvement
