RE: Beacon Academy of Nevada
Request to Occupy an Additional Facility

Dear Executive Director Feiden,

On February 19, 2020, the Governing Board of Beacon Academy of Nevada approved a motion to file an amendment to Occupy an Additional Facility. The new facility is to begin operation serving students in the fall of 2021. Unfortunately, the site that was included in the Request for Amendment is no longer available. We are respectfully requesting permission to purchase a property for the new school in the 89104, 89101, or 89110 zip codes. A school in this location will be more accessible for students who reside on the east side of Las Vegas.

Thank you for your time and consideration.

Sincerely,
