Re: Public Comments for November 6, 2020 Board Meeting, Agenda Item 5.

Dear Board Members:

Please allow this letter to serve as a renewal of my comments submitted as "Public Comments for October 2, 2020 Board Meeting, Agenda Item 4."<sup>1</sup> To mitigate damages in this matter, I urge you once again to immediately rescind the COVID-19 In-Person Learning Guidance that was adopted on August 14, 2020.

I maintain that on August 14, 2020 you were aware that neither NRS 388A.397(5), nor any of the Governor's Emergency Directives provide a legal basis for adopting the COVID-19 In-Person Learning Guidance. In the event that you believe that you not aware, I submit that with my prior public comments as well as correspondence written to each of you that voted to adopt the COVID-19 In-Person Learning Guidance, to Director Feiden, and to Ryan Herrick you now have **express notice** that if you vote to continue the mandates proscribed in the COVID-19 In-Person Learning Guidance at any level, you are doing so knowingly and willingly in violation of the law.

The schools that you sponsor have all the COVID-19 guidance they need in the form of Governor Sisolak's *Emergency Directives* [022](#) and [028](#).

If you have any questions about these comments, you may contact me by telephone at 702-514-0102 or email at [jmaridon@maridonlaw.com](mailto:jmaridon@maridonlaw.com).

Thank you for your consideration in this matter.

Sincerely,

Joseph R. Maridon, Jr.
