RE: Final Financial Performance Ratings, School Year Ending June 2020:

Dear Board Chair and School Leader,

As you know, preliminary Financial Performance Framework results were provided to you on December 18, 2020. These same results were provided to the State Public Charter School Authority (SPCSA) during the January 22, 2021 Board meeting for possible approval. The Authority accepted these results, thus finalizing your school's Financial Performance Framework ratings for the 2019 – 2020 school year.

Additionally, and as you are aware, the SPCSA voted at its January 22, 2021 Board meeting to issue a Notice of Concern based on the foregoing financial underperformance. This Notice of Concern serves as a reminder that the Charter School Performance Framework, which is incorporated into ABC Charter School's Charter School Contract, is meant to provide charter school leaders with clear expectations, fact-based oversight, and timely feedback while at the same time ensuring charter school autonomy.

Under the Charter School Performance Framework, a Notice of Concern represents Level 1 in the Authority's Intervention Ladder. Please note that Level 2 in the Intervention Ladder is a Notice of Breach, and that a State Public Charter School Authority-sponsored public charter school entering Level 3 of the Authority's Intervention Ladder may result in Charter School Contract termination proceedings being initiated pursuant to NRS 388A.330.

Please note that the Authority is also requiring that ABC Charter School to work with SPCSA staff to develop a targeted remediation plan in the weeks ahead. SPCSA staff will be reaching out to discuss this plan in more detail.

The SPCSA believes strongly in a quality public school of choice for every Nevada child. We hope that ABC Charter School will join us by improving its financial performance, thereby increasing the number of high-quality SPCSA-sponsored charter schools.

Sincerely,

A handwritten signature in black ink, appearing to read "Mike Dang". The signature is fluid and cursive, with a prominent loop at the end.

Mike Dang
