Re: Request to Amend Charter

Dear SPCSA Board Members:

On behalf of the Girls Athletic Leadership School Las Vegas (GALS LV), I am requesting the SPCSA grant us a Good Cause Exemption to amend our charter outside of the traditional amendment cycle. Over the past year, GALS LV has coordinated our timeline with SPCSA staff to accommodate this Good Cause Exemption in support of relocation to our permanent school site. During the permitting process for our new facility, Clark County asked GALS LV to cap enrollment at 160 students for the 2021-2022 school year, which will allow for gradual growth in the space. GALS LV will continue to work closely with Clark County during next year to ensure school growth is commensurate with the plans described in our Request to Amend Charter.

The GALS Board of Directors unanimously approved this request to amend our charter at our meeting held March 15, 2021.

Thank you for your consideration of our request.

Best,

Julie Schoolmeester
Board Chair, GALS LV
