Please accept our charter renewal request and application from Discovery Charter School. The purpose of this request is to renew our current charter with the SPCSA that was originally issued in 2011.

We also, respectfully, ask for a “good cause exemption” for this charter renewal request and application as the timeline deadline was not met. The board meeting held on Oct 21, 2022 did not follow Open Meeting Law due to the meeting not being posted on www.notice.nv.gov. Furthermore, deadlines were not met due to the misunderstanding by administration of needed items by Oct 15. Since clarification, DCS Board of Trustees and administration have corrected the needed items and complied with Open Meeting Law.

Respectfully,

Tricia Wilbourne
Principal
