RE: Request for Amendment to Charter Application

Girls Empowerment Middle School Las Vegas (GEMS) requests an exemption from the current amendment schedule to amend their charter contract with the SPCSA in order to:

1. Reduce target enrollment for FY2023 to 100 students.

GEMS Governing Board has voted on the proposed amendment prior to submission. The change will allow for GEMS to meet the plus or minus 10% of target enrollment for FY2023 requirement and to maintain compliance with the charter agreement.

We appreciate the support of the SPCSA staff in the required request for amendment and are asking for a good faith exemption to be granted and that the request for amendment be approved.

Sincerely,

Patricia Farley (Dec 2, 2022 10:26 PST)

Board Chair, Girls Empowerment Middle School Las Vegas
