Letter of Intent, Charter Renewal

Director Fieden and Director Modrcin

Please accept this letter, approved by the Oasis Academy Board of Directors on August 24, 2022, of our intent to apply for a charter renewal.

Oasis Academy has an approved enrollment cap of 775 students in grades K-12. Under a previous charter amendment, Oasis Academy was approved for a slow growth model, adding a third class in each grade level. The slow growth will continue until the 2025-2026 school year, at which point we will have 675 students in grades K-8 and 200 students in grades 9-12.

Oasis Academy recently purchased the building at our current location, 920 West Williams Ave. Fallon, NV 89406 and plans to continue offering K-8 education at this location through the duration of the next charter contract.

Currently, Oasis Academy College Prep is housed at the Western Nevada College Fallon Campus (160 Campus Way, Fallon NV 89406). We recently learned that Oasis Academy will have to leave that location at the conclusion of the 23-24 school year. The Oasis Academy board is planning to build a high school at [APN 001-801-97](#), a 9 acre parcel owned by the school. An amendment request will be forthcoming once the details have been established.

Regards,

Samantha Gomes, Board President
