Greetings,

I'm a stakeholder at one of the schools operated by PTAA. I'm in support of this organization expanding in North Las Vegas. We do not have a school of this choice for our students. The students from the Southern Nevada Urban Academy have thrived in a hybrid learning environment that is safe, nurturing and promotes independent thinking and learning. This is what I've personally seen as a Stakeholder. This would not have been possible without PTAA being the operators of the Academy. The City of North Las Vegas will no longer continue the SNUMA program, and now we are faced with the challenge of where to send our kids.

We need another option! Please approve this charter application.

Thank you,

Lula Turnipseed, M.Ed
