I am writing on behalf of The Pioneer Technology & Art Academy School of Nevada I fully support this school my son has been with the SNUMA since it first open in 2020 and my child has Academically grown since attending this school and I would like for him to continue his academic future with the PTAA N school. He is currently going to 5th grade for the 2022-2023 school year. PS He loves this school and has ever since he has been attending. I have already filled out his intent to attend application.

Please allow the school to open her in Las Vegas Nevada.

Thank you in advance for making my son's education possible.!!
