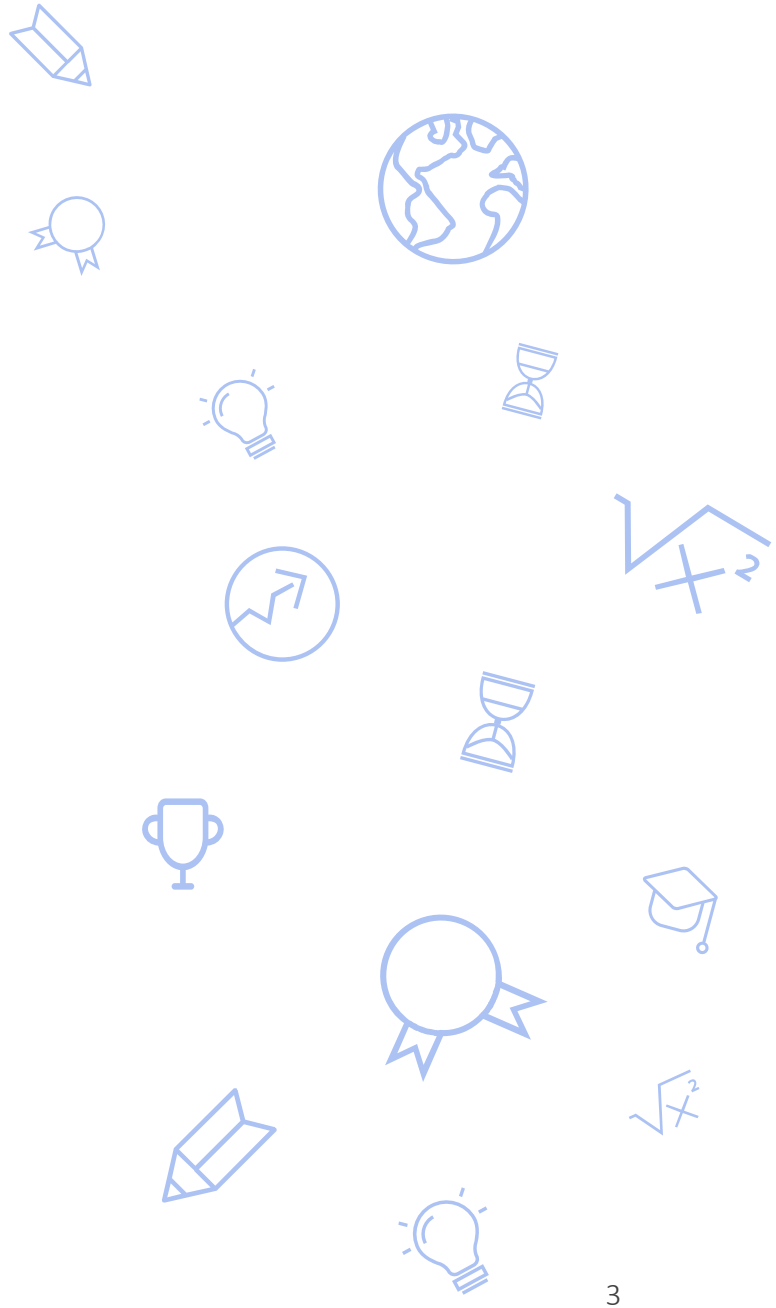
SPCSA Overview



Nevada State Public Charter School Authority

Creation and Purpose

The purpose of the State Public Charter School Authority is to:

> Authorize charter schools of high-quality throughout this State with the goal of expanding the opportunities for pupils in this State, including, without limitation, pupils who are at risk.
>
> Provide oversight to the charter schools that it sponsors to ensure that those charter schools maintain high educational and operational standards, preserve autonomy and safeguard the interests of pupils and the community.
>
> Serve as a model of the best practices in sponsoring charter schools and foster a climate in this State in which all high-quality charter schools, regardless of sponsor, can flourish.

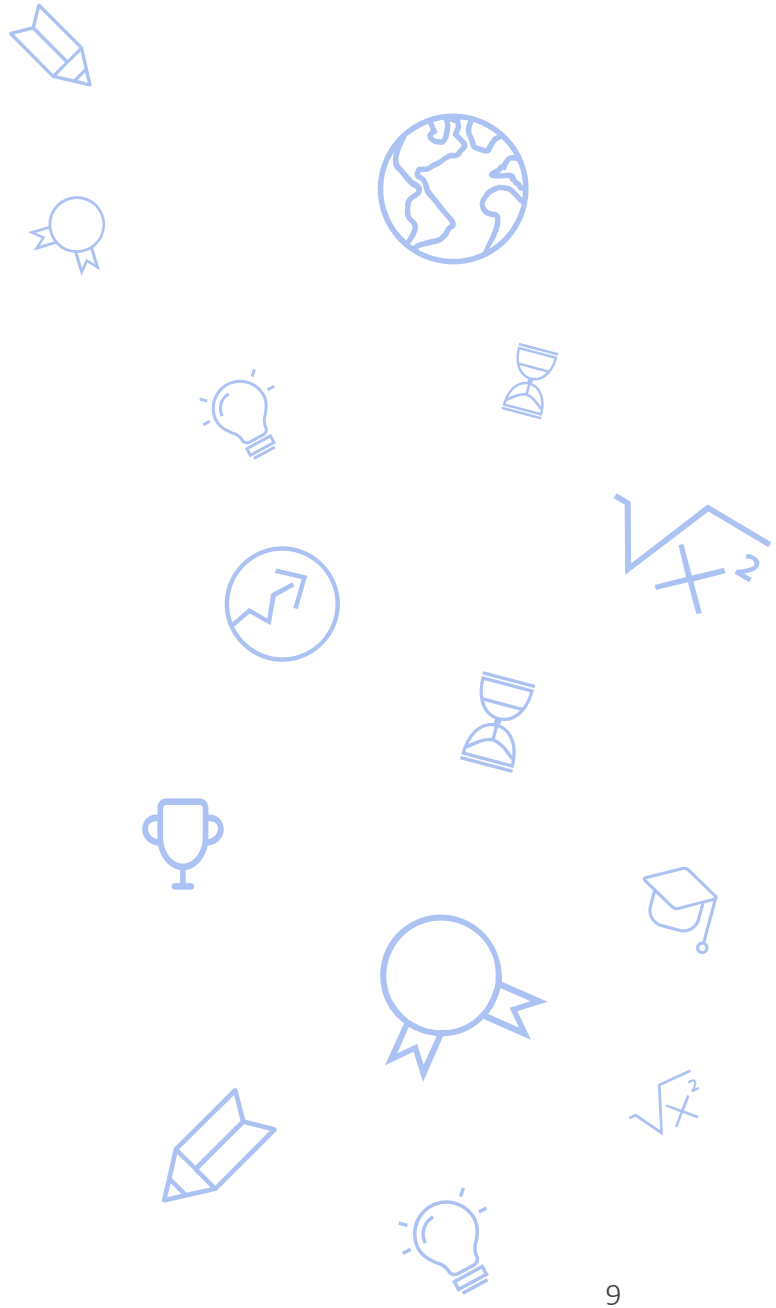
Strategic Plan

2019 through 2024



Nevada State Public Charter School Authority

Vision

Equitable access to diverse, innovative, and high-quality public schools for every Nevada student.

Mission

The SPCSA sponsors, supports, and oversees dynamic and responsive public charter schools that prepare all students for academic, social, and economic success.

STUDENT FOCUSED

We put what is best for students at the center of our work and honor the critical role that families play in student success.

LEADERSHIP

We earn the public's trust by holding our agency to the highest standards and investing in our growth and development.

EXCELLENCE THROUGH IMPROVEMENT

We establish clear, high expectations and constantly seek growth for ourselves and foster improvement for our schools.

EQUITY & DIVERSITY

We are committed to ensuring equitable access for students from all backgrounds and value the voices of all members of our community.

TRANSPARENCY

We promote transparent and open communication and make school performance data accessible to all stakeholders.

ACCOUNTABLE AUTOMONOMY

We provide our charter schools with the autonomy to innovate in the best interests of students while holding them accountable for academic results, financial performance, and legal compliance, so that students, families, and taxpayers can be confident in the quality of the schools we sponsor.

Five-Year Goals

- ✓ Provide families with access to high quality schools
- ✓ Ensure that every SPCSA student succeeds – including those from historically underserved student groups
- ✓ Increase the diversity of students served by SPCSA schools

Strategies

- Proactive Oversight
- Strategic Growth
- Expanded Support
- Recognize Progress

Nevada State Public Charter School Authority

Goal 1

Provide families with access to high quality schools

The SPCSA aims for all sponsored schools to meet academic, organizational and financial performance standards.

Nevada State Public Charter School Authority

Despite the impact of COVID-19, SPCSA-sponsored schools **have continued to make academic gains**

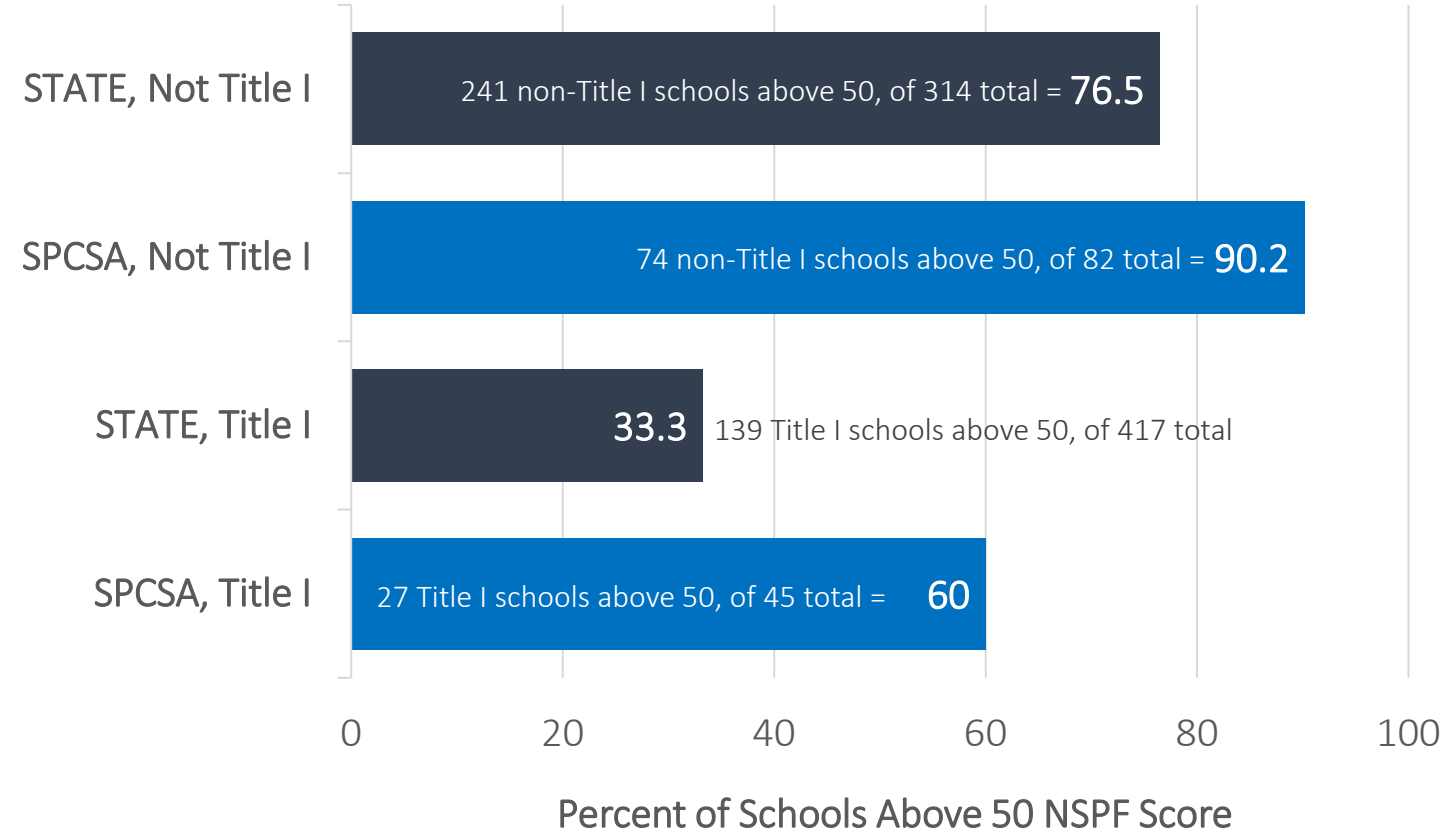
SPCSA-Sponsored Schools **Outperform the State**, but **Title I schools are Less Likely to Earn an Index Score of 50+**



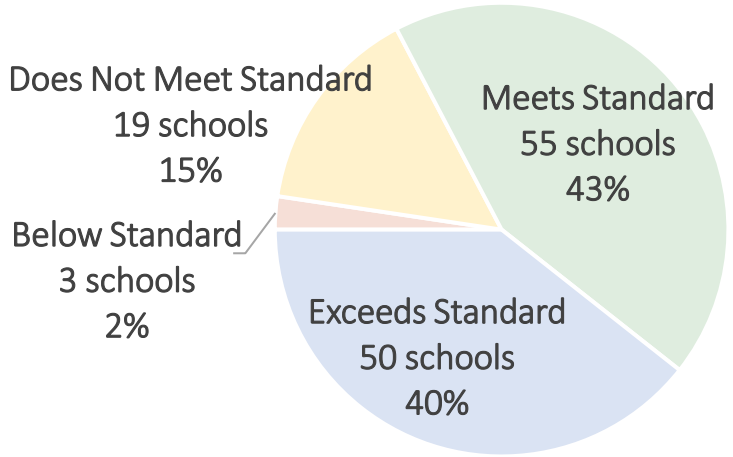
Nevada State Public Charter School Authority

All school levels that met requirements to receive a 2021-22 NSPF rating (rules found here) are included. SPCSA schools are included in the state totals.

Academic Performance Framework

- The SPCSA adopted a new Academic Performance Framework (APF) in 2019 that is based on:
  - School Index Score (NSPF);
  - Performance comparisons (NSPF index score) to the local school district and nearby school; and
  - Enrollment diversity compared to the local school district.

2021-22 SPCSA Academic Performance Framework Ratings



Site Evaluations

- The SPCSA conducts site evaluations at each school campus, at minimum, in the first, third and fifth years of the charter contract.
- Each site evaluation involves document submissions, classroom observations, and focus groups.
- For the 2022-23 school year, the SPCSA has 57 site evaluations scheduled, with 23 complete as of January 1, 2023.

Nevada State Public Charter School Authority

The data shown above exclude schools that did not receive a rating. The requirements to receive an SPCSA Academic Performance Framework score and rating are found here.

Organizational Performance Framework

- The SPCSA approved a new Organizational Performance Framework (OPF) in 2019 with five major categories:
  - Education Program
  - Financial Management and Oversight
  - Governance and Reporting
  - Students and Employees
  - School Environment
- The Organizational Framework takes into account over 40 annual compliance requirements and is focused on answering the question: *Is the organization effective and well run?*
- For the 2021-2022 school year, 100% of charter holders met standards on the Organizational Performance Framework.

Financial Performance Framework

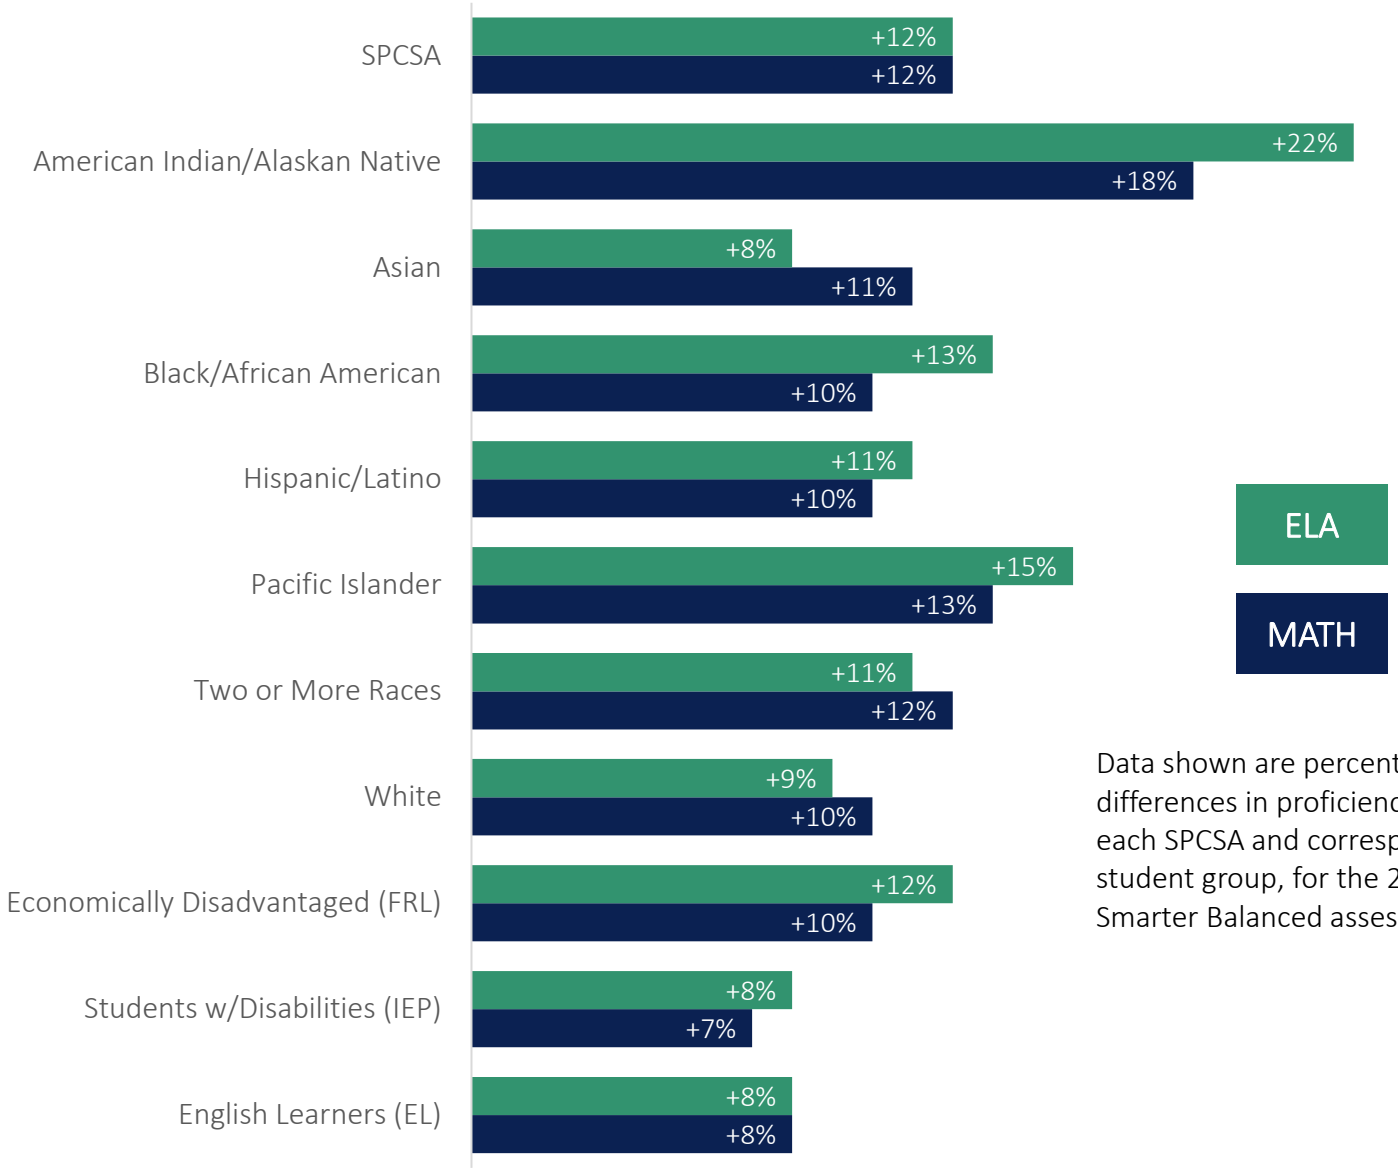
- The SPCSA approved a new Financial Performance Framework (FPF) in 2019 with four near-term measures and four sustainability measures.
- The Financial Framework is focused on answering the question: *Is the school financially viable?*
- For the 2020-2021 school year, 95% of charter holders met standards on the Financial Performance Framework. Ratings for the 2021-22 school year will be presented at the March 3, 2023 Board Meeting.

Goal 2

Ensure that every SPCSA student succeeds – including those from historically underserved student groups

The SPCSA aims for all sponsored schools to demonstrate strong academic growth, high levels of proficiency, and on-time graduation across all student groups, including historically underserved student groups.

All SPCSA Student Groups **Outperformed their State Peers in 3rd-8th Grade Math and ELA**

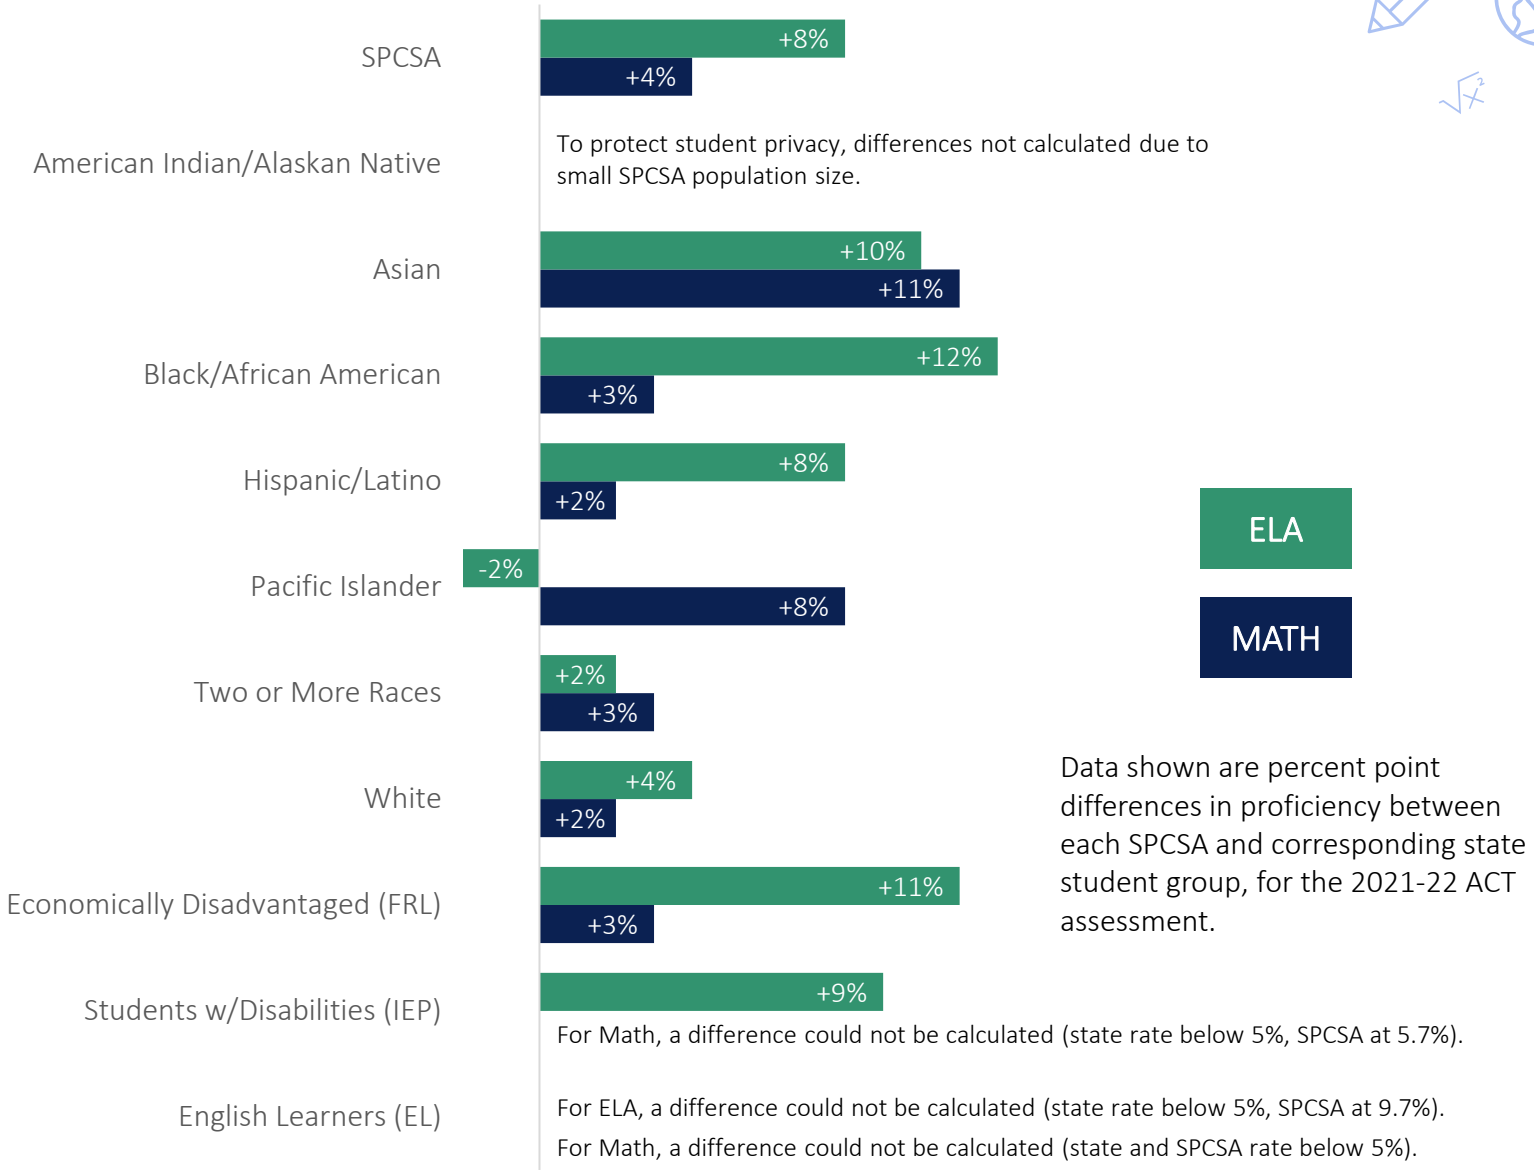


Data shown are percent point differences in proficiency between each SPCSA and corresponding state student group, for the 2021-22 Smarter Balanced assessments.

Nevada State Public Charter School Authority

Data retrieved from the Nevada Accountability Portal.

Most SPCSA Student Groups **Outperformed their State Peers in 11th Grade Math and ELA**



Data shown are percent point differences in proficiency between each SPCSA and corresponding state student group, for the 2021-22 ACT assessment.

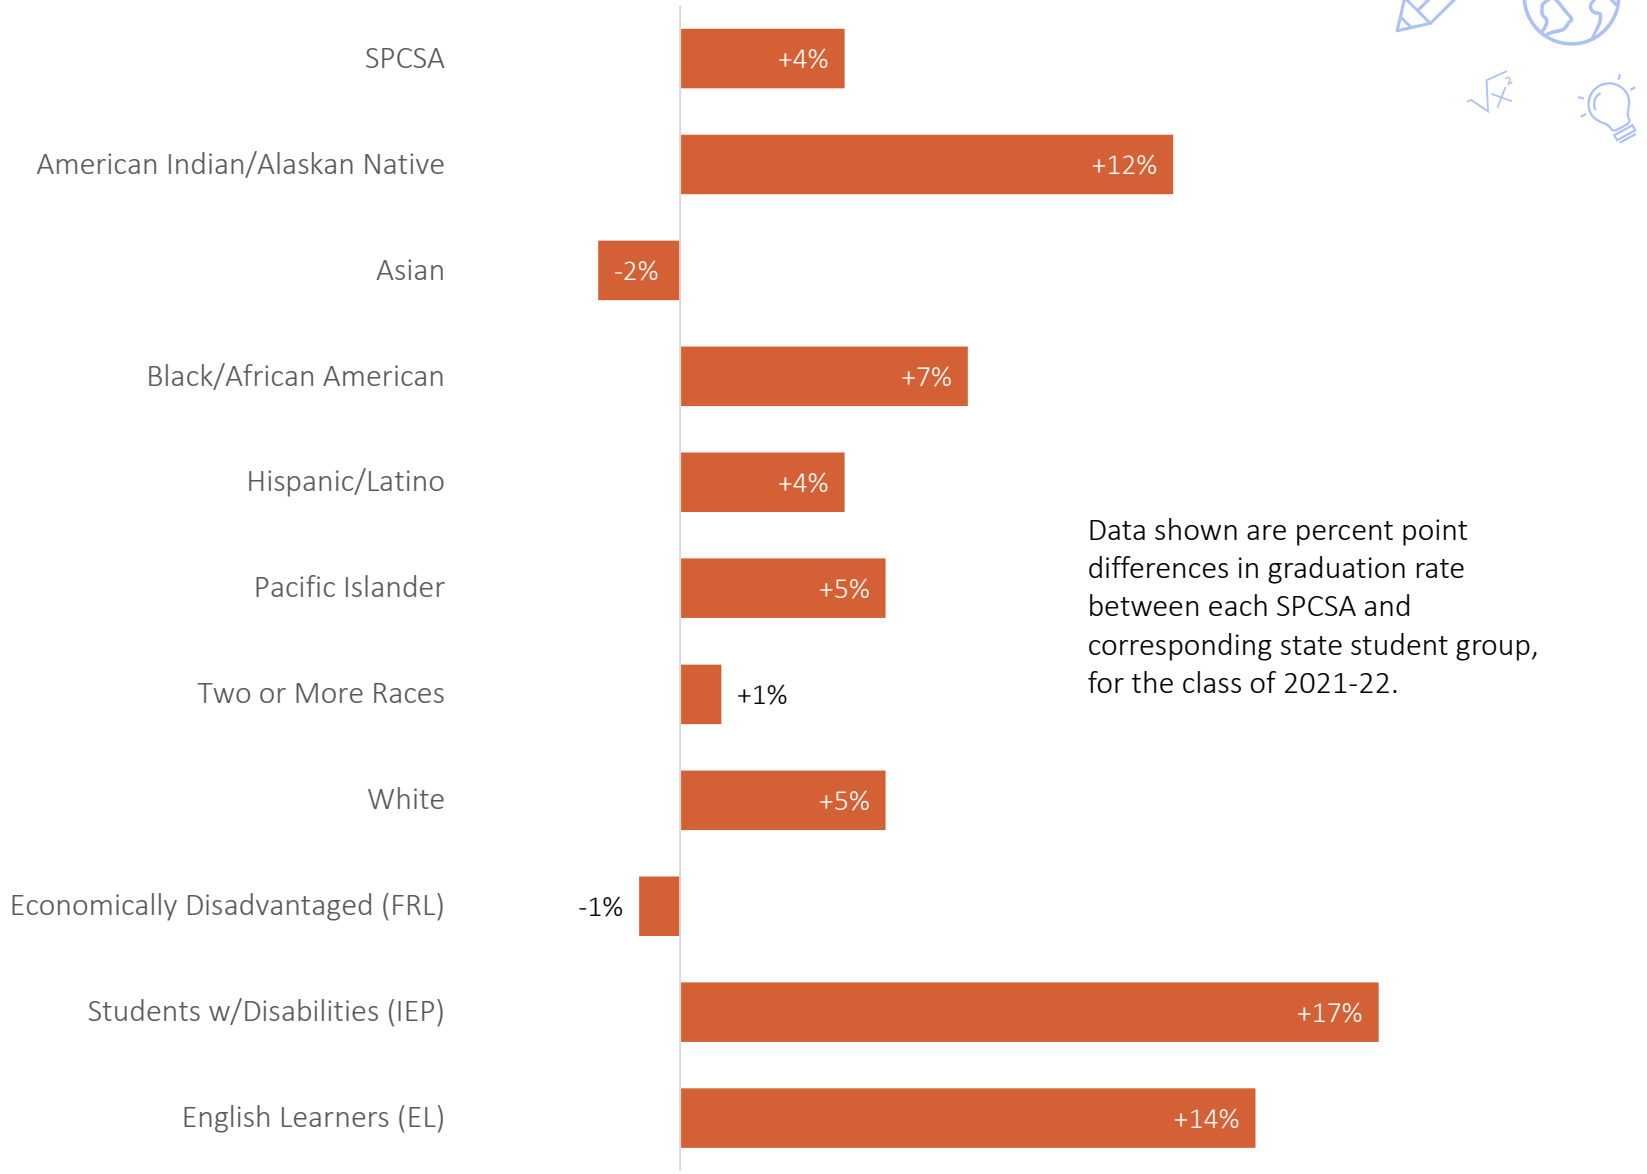
For Math, a difference could not be calculated (state rate below 5%, SPCSA at 5.7%).

For ELA, a difference could not be calculated (state rate below 5%, SPCSA at 9.7%).
For Math, a difference could not be calculated (state and SPCSA rate below 5%).

Nevada State Public Charter School Authority

Data retrieved from the Nevada Accountability Portal.

Most SPCSA student groups had graduation rates that **exceeded the respective statewide student group**



Data shown are percent point differences in graduation rate between each SPCSA and corresponding state student group, for the class of 2021-22.

Nevada State Public Charter School Authority

Data retrieved from the Nevada Accountability Portal.

Goal 3

Increase the diversity of students served by SPCSA schools

The SPCSA aims for sponsored schools to serve a population of students that is representative of the State with regard to race/ethnicity and additional student groups.

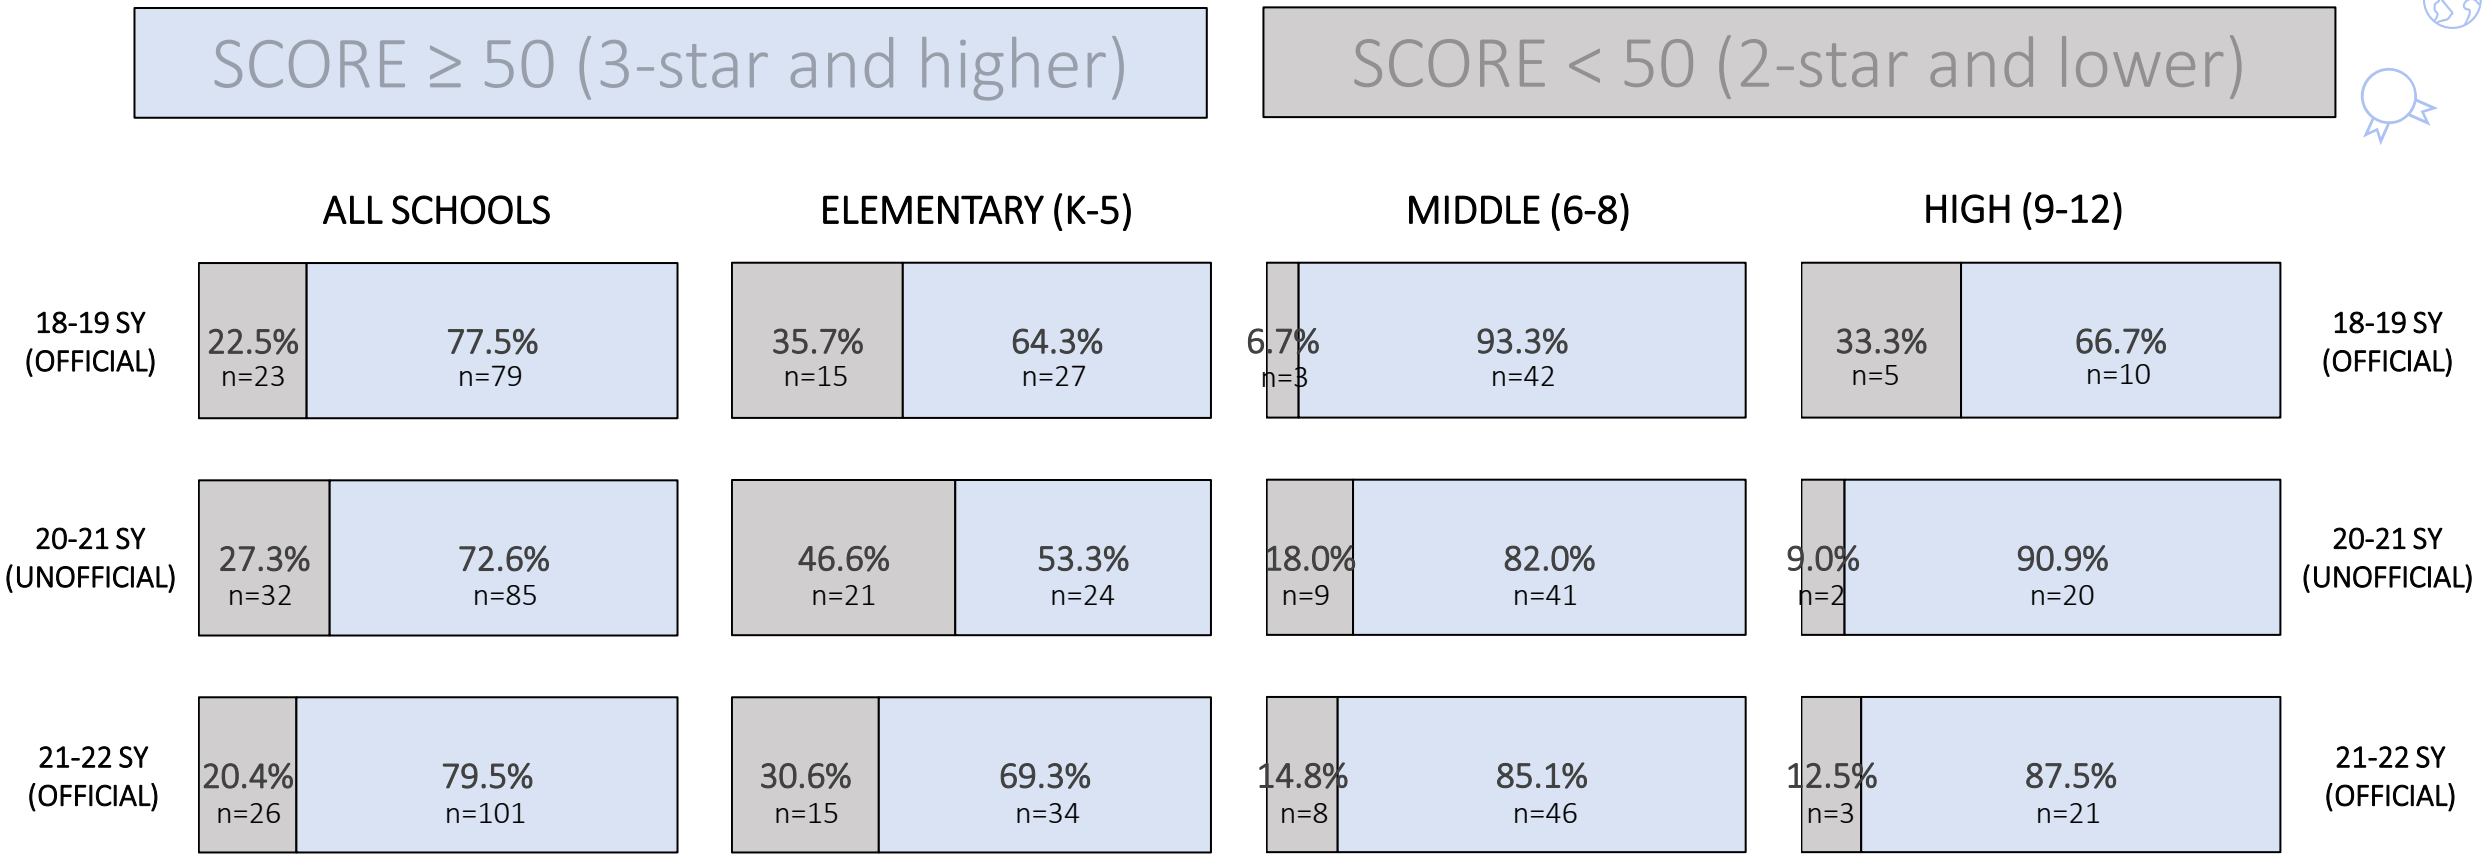
SPCSA Nevada School Performance Framework (NSPF) Adjusted Index Scores Trend



Per federal accountability waivers, the Nevada Department of Education applied 2018-19 ratings to the 2019-20 (not shown) and 2020-21 school years. Only index scores (no star ratings) were calculated by the NDE for the 2021-22 school year. All school levels that met requirements to receive an NSPF rating (rules found here) are included. For the 2020-21 school year, scores were not calculated by the NDE; calculations were performed by the SPCSA.
