

# Item 8: Revisions to the New Charter School Application Template and Rubric

November 3, 2023

# Overview

## Outcomes

- Increase the quality of charter applications.
- Ensure the application process balances the importance of the written application with the capabilities and commitment of the people who will open and lead the school.

# Proposed Changes

- Rubric:
  - Update the rubric, particularly the Board Governance, Leadership Team, and Incubation Year Plan sections, to include criteria focused on evaluating the “ability of the applicants to establish a high-quality charter school” ([NRS 388A.249\(2\)\(b\)](#)).
- Notice of Intent:
  - Request additional information on community engagement conducted to date and the status of the proposed committee to form and governing board.
- Trainings:
  - Providing more interactive activities for applicants to self-assess their readiness and submit sections of their applications for discussion.
