DATE: April 12, 2024

RE: Workshop to Solicit Comments on Proposed Amendments to Nevada Administrative Code 388A.255 – Proposed changes to the abbreviated application to form a charter school.

I, Melissa Mackedon, being the duly appointed Executive Director of the State Public Charter School Authority, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulatory changes regarding the abbreviated application to form a charter school is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed and the Authority considered its history with implementing similar regulations; the proposed changes are within the scope of the Authority's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Sincerely,

Melissa Mackedon
