## CHARTER SCHOOL RENEWAL GUIDELINES

- The renewal application must be submitted as a Word document and a signed PDF into the Charter Renewal Application section in Epicenter between 8 am and 5 pm PT on February 15, 2016. Submission of the renewal application prior to this window will result in the return of the application and a request for resubmission of a compliant and complete application from SPCSA staff on the due date.
- This application may be completed by filling out each of the requested dropdown menus and text boxes. Failure to utilize the requested drop down menus and text boxes will result in the return of the renewal application and a request for resubmission of a compliant and complete application from SPCSA staff.
- Renewal decisions for schools operating under written charters are based on historic performance data as evidenced by the SPCSA Performance Framework, which serves as the Authority's performance and programmatic audit mechanism for all schools operating under written charters. Historical anecdotes or unsolicited data, e.g. teacher turnover, leadership changes, or past programmatic adjustments, will not be considered by the Authority in making renewal decisions. The Board will not give weight to materials or testimony related to such topics during the renewal process. The inclusion of unsolicited data, supplementary narratives, letters of support, or other unsolicited materials will result in the return of the renewal application and a request for resubmission of a compliant and complete application from SPCSA staff.
- Schools which are contemplating material amendments, e.g. changes to the mission statement, grade levels served, enrollment, facilities expansion, academic program, instructional delivery, management agreement, etc. will be permitted to submit such amendment requests in the event that the school is renewed based on past performance. Schools are permitted to draft such amendment requests during the renewal process for filing immediately following the renewal decision but the SPCSA Board will not give weight to such materials or testimony related to any contemplated changes during the renewal process. The inclusion of amendment materials will result in the return of the renewal application and a request for resubmission of a compliant and complete application from SPCSA staff.
- It is the responsibility of the school to ensure that the content is accurate and reflects information provided by NDE and the SPCSA. Any discrepancies between the data submitted and data previously provided by NDE or the SPCSA will result in a request for resubmission of a compliant and complete application from SPCSA staff.
- Schools are required to submit the agenda and draft minutes for the meeting where the governing body voted to approve the submission of the renewal application into the appropriate areas in Epicenter prior to filing the renewal application. Failure to submit the agenda and draft minutes into the appropriate areas in Epicenter prior to filing the renewal application will result in the return of the renewal application and a request for resubmission of a compliant and complete application from SPCSA staff. The inclusion of the agenda and draft minutes with the renewal application will result in the return of the renewal application and a request for resubmission of a compliant and complete application from SPCSA staff.
