RE: Expedited Renewal, Oasis Academy

Chair Johnson and Members of the Board,

Please accept this letter on behalf of the Oasis Academy Board of Directors, accepting your invitation for expedited renewal of our charter. It has been a privilege to provide a quality education to the students of Churchill County and we look forward to the next six years. We appreciate the support of the State Public Charter School Authority and the partnership we have with them.

We recognize that we will be moving from a written charter to a charter contract.

Regards,
