SMALL BUSINESS IMPACT STATEMENT PURSUANT TO NRS 233B.0608

Date: October 4, 2016

Re: Proposed Adoption of Regulations/NAC Chapter 388A regarding Reporting of Data to the State Public Charter School Authority

I, Patrick J. Gavin, being the duly appointed Executive Director of the State Public Charter School Authority, do hereby certify that, to the best of my knowledge or belief:

1. The proposed changes to regulations to NAC 388A and are not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden. The State Public Charter School Authority has relied on the expert knowledge of Agency staff and the Attorney General's Office; the impact is solely on charter schools sponsored by the State Public Charter School Authority.
3. All relevant materials were reviewed and the Agency considered its history with implementing similar regulations; the proposed changes are within the historic scope of the Agency activities and present no new cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or economic impact can be assessed.
5. The revisions of this regulation after its initial drafting were made to provide further clarity and have no effect on small businesses.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,
