State Public Charter School Authority,

Re: Request for Amendment to Charter Application

Las Vegas Collegiate requests an exemption from the current amendment schedule to amend their charter contract with the SPCSA in order to:

1. Change facilities
2. Adjust enrollment
3. Add transportation

Las Vegas Collegiate's Governing Board has voted on the proposed amendments prior to submission. We recognize that we missed the window to submit a Letter of Intent for this amendment, however, we have been in frequent contact with members of the Authority to keep them abreast of the changes, especially in light of the ongoing pandemic.

We appreciate the support of SPCSA staff regarding the required amendments and are asking that a good faith exemption be granted and that the request for amendments be approved.

Sincerely,

Jill C Schreidl (Apr 10, 2020)
