Re: Request to Amend Charter

Dear SPCSA Board Members,

On behalf of the Girls Athletic Leadership School Las Vegas (GALS LV), I am requesting the SPCSA to grant us a Good Cause Exemption to amend our charter outside of the traditional amendment cycle. Given the situation with the COVID-19 pandemic, we have experienced some difficulty recruiting the student population needed to open GALS LV. In light of this GALS LV requests to open up 7th grade to be able to recruit both 6th and 7th grade for the 2020-2021 school year. This addition does not change our enrollment target of 135 students, nor staffing or budgetary requirements.

The GALS Board of Directors unanimously approved this request to amend our charter at our meeting held May 18, 2020.

Thank you for considering this request.
