Dear State Public Charter School Authority Board,

As you know, the Las Vegas Collegiate team has been working steadfastly toward opening our doors to scholars in August 2020. We want to take this opportunity to express our heartfelt gratitude for your continued support throughout this process. As a stakeholder, your contributions have made it possible for us to offer parents and families a high-quality educational option for their children.

At this time, we have an important update to share. As a result of the Covid-19 pandemic, we have made the difficult decision to defer opening our doors until the 2021-2022 school year.

We began this work with the unwavering dedication to provide high quality education for children who currently do not have access. Our first priority is always and will always be the safety and well-being of our most important stakeholders, our scholars. Delaying the opening of school for another school year will allow our nation the time needed to come through this current crisis, so that our scholars can start the 2021-2022 school year strong.

Next steps for our team include establishing a robust distance learning plan that can be implemented as needed, expansion of stakeholder base, continued community engagement, and capital development. We thank you for your continued support as we extend our planning year and continue to lay the foundation for an excellent school.

Committed to Excellence,

Jill Schreidl (May 27, 2020 19:52 PDT)
