State Public Charter School Authority  
2080 E Flamingo Road  
Las Vegas, NV 89119

Dear Mr. Modrcin:

Below is an update on the 2020-2021 opening of **Nevada State High School at Northwest**.

This is the seventh location for the Nevada State High School (NSHS) network with an address at 7240 W Azure Dr Suite 110, Las Vegas, NV 89130. The school negotiated a contract for the 1,500 SF facility in fall of 2019 and was planning to move in for registering new students on or around the beginning of February 2020. At this point, NSHS has received necessary permits and the improvements are under way with plans to start operating in early May 2020.

NSHS at Northwest is leveraging its resources including:

- Receiving at 0% internal loan of \$120,000 with a four-year payback
- Identifying 68 current students that wanted to transfer to the new location
- Operating with funds from spring 2020 ADE for these 68 students
- Designating a current Educational Advising Coordinator (EAC) to these students
- Sharing a Director of Site Administration (DSA) from NSHS at Summerlin
- Incubating inside NSHS at Summerlin for new student registration
- Hiring a new Office Manager (OM) started (3/1/2020)
- Recruiting 67 new students between 2/1/2020 and 4/2/2020

With the exception of overcoming some hurdles with permitting, NSHS at Northwest projects to end FY1920 with a fund balance of \$13,500 or a 5% total margin and hit its planned enrollment for FY2021 of 90 students. This will allow the school to have a full-time EAC and OM while sharing a DSA with NSHS at Summerlin. The school will submit to SPCSA a copy of the final inspection to complete all necessary conditions that were applied to this approval.

Sincerely,

John Hawk, COO
