Re: Request for Amendment to Charter Application

Dear Executive Feiden,

Honors Academy of Literature is respectfully seeking an exemption from the current amendment schedule. On June 25, 2020 the school board approved the request to amend the current charter to increase enrollment cap of 211 students to 225 students. We were able to negotiate additional space at our current building allowing for the accommodation in the increase of students.

We recognize that we have submitted the amendment outside of the submission window and appreciate your understanding.

Please contact Andi Morency, Executive Director of Operations, if you have any questions regarding this request.

Sincerely,
