Director Modrcin,

Please accept this letter as notice of our intent to apply for the renewal of the Equipo Academy charter first approved by the Charter Authority in January 2015. Equipo Academy has grown since 2015 from a 6-10 to a 6-12 campus with three graduating classes all earning 100 percent admissions to four year colleges. With our renewal, Equipo Academy plans to continue serving students in grades six through twelve during the next approved charter term.

Our school will continue to operate for the next term at our current location, 4131 E Bonanza Road, Las Vegas, NV 89110, with possible facility improvements at our existing location to expand arts, athletics, and science instructional spaces.

We seek to apply for the longest possible renewal term that is available to us, and look forward to the opportunity to discuss our work with you and the Charter Authority.

Thank you,

Kerry Roberts
Chair of the Governing Body
