Amendment Request

To Whom It May Concern:

Please accept this amendment request application from Oasis Academy. The purpose of this request is to purchase the property we already occupy, 920 West Williams Ave. Fallon Nevada, in its entirety. The current property owners, Old Fallon LLC, came to us with a proposal to purchase the property. The Oasis Academy Board of Directors voted on June 2, 2021 to approve the offer and move forward with an amendment request from the SPCSA. One of the major components of the deal is that the current ECRs are amended. We realize this may or may not happen, and if they are not amended we will not move forward with the purchase. However, based on the timelines in the purchase offer it is imperative that we simultaneously work on gaining SPCSA approval.

We are not seeking an amendment to our enrollment numbers.

We also, respectfully, ask for a "good cause exemption" for this charter amendment as the timeline was totally outside of our control.

Respectfully,

Karla Craig
