MEMORANDUM

**TO:** Nevada State Public Charter School Authority

**FROM:** Andrea Moore & Matt Brown on behalf of TEACH Las Vegas

**DATE:** July 22, 2021

**SUBJECT:** TEACH Las Vegas Charter Contract Enrollment Cap – Good Cause Exemption

---

TEACH Las Vegas is requesting a reduction in the enrollment cap of its charter contract with the Nevada State Public Charter School Authority (SPCSA) via a “Good Cause Exemption”. TEACH Las Vegas requests the 1<sup>st</sup> year enrollment cap be reduced from 325 to 150.

TEACH Las Vegas’ charter application was approved out of cycle as a result of a prior Good Causes Exemption granted by the SPCSA to the July 15, 2020 under NAC 388A.260 for summer charter school applications. As a result, this request for an enrollment cap modification is also out of cycle and requires an additional Good Cause Exemption.

An Executive Summary with relevant attachments were submitted in support of this request.
