**SMALL BUSINESS IMPACT STATEMENT  
PURSUANT TO NRS 233B.0608**

**DATE:** August 25, 2021

**RE:** Workshop to Solicit Comments on Proposed Amendments to Nevada Administrative Code 388A.260 – Proposed changes to the timeline and requirements related to the contents of Letters of Intent for new charter school applications and the timeline and process for submission of new charter school applications.

I, Rebecca Feiden, being the duly appointed Executive Director of the State Public Charter School Authority, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulatory changes regarding the timeline and requirements related to the contents of Letters of Intent for new charter school applications and the timeline and process for submission of new charter school applications is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed and the Authority considered its history with implementing similar regulations; the proposed changes are within the scope of the Authority's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Sincerely,

Rebecca Feiden
