Does the School District’s Capital Improvement Plan include any plans to add new schools or add additional capacity to existing schools within the community in which the applicant proposes to locate?

CCSD, Demographics, Zoning and GIS (DZG) response:

The provided zip codes of intended service encompass a geographic area with seven middle schools and five high schools. Through the 2015 Capital Improvement Program the Clark County School District has invested considerably within these zip codes. One middle school is scheduled for a replacement facility: John C. Fremont (2021), and both William E. Orr and C.W. Woodbury Middle Schools are planned for a future replacement consideration.

As you know, the SPCSA approved the Academic and Demographic Needs Assessment on July 26, 2019 and approved an updated version on January 22, 2021. A copy of this version can be found [here](#). Our staff and board will be evaluating the degree to which the applicant aligns with the identified needs. Please provide any input as to how this applicant does or does not meet identified needs in the community.
