Re: Request for Good Cause Exemption from Amendment Cycle

Executive Director Feiden:

Nevada Virtual Academy (NVVA) requests a good faith exemption from the current amendment cycle to amend their charter contract with the SPCSA to relocate its Blended campus.

We were able to find and lease a new facility, as our lease ended in June of last year.

As the deadline for Letters of Intent to submit requests for amendments has passed, we are asking that an exemption be granted and that the application to relocate be heard as soon as possible to allow students to attend Blended classes in our new building.
