Dear State Public Charter School Authority,

RE: Request for Amendment to Charter Contract

The purpose of this letter is to formally request a Good Cause exemption from the State Public Charter School Authority (SPCSA) for an amendment to the school's existing charter contract. pilotED Schools of Nevada – Cactus Park Elementary requests to amend their charter contract with the SPCSA in order to:

- Provide temporary transportation for students from their permanent facility located at 3115 Las Vegas Blvd to their temporary facility at 1780 Betty Ln.

The pilotED Schools of Nevada Board has voted and approved this amendment during a public meeting on August 25, 2022. The temporary transportation will allow for students that otherwise would be walking to the permanent facility with their families to stay enrolled at Cactus Park Elementary using this crucial temporary solution.

We appreciate the support of both the SPCSA staff and board regarding this required amendment and are asking that a good faith exemption be granted and that the request for a charter amendment be approved.

Sincerely,
