

Growth Management Plan

December 16, 2022

Background and Context

Assembly Bill 462 (2019)

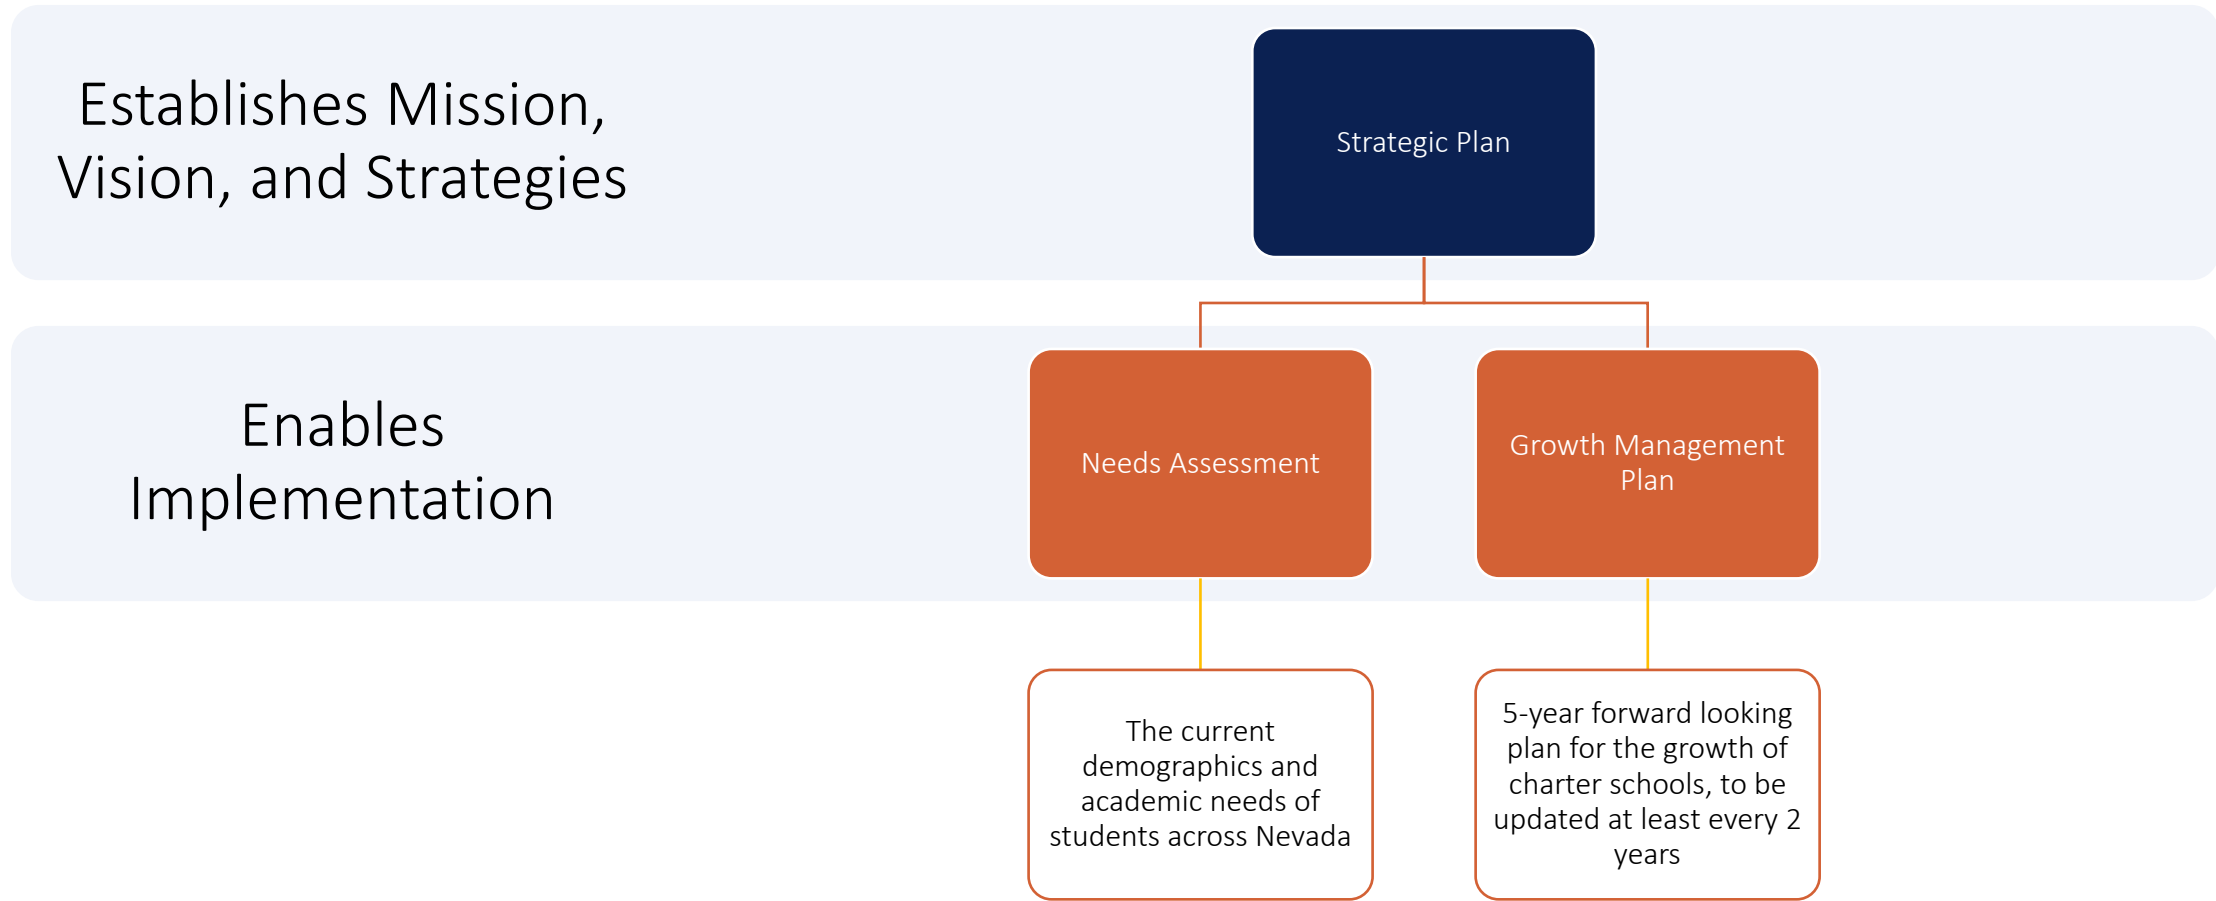

NRS 388A.167 Plan to manage growth of charter schools.

1. The State Public Charter School Authority shall establish a plan to manage the growth of charter schools in this State. The plan must set forth the status of existing charter schools and a 5-year projection of anticipated growth in the number of charter schools.
2. To develop the plan pursuant to subsection 1, the Authority shall determine the projected number of:
 - (a) New charter schools that the Authority will approve;
 - (b) Additional campuses of charter schools that the Authority will approve;
 - (c) Charter schools that will expand the grade levels offered at the charter schools or will otherwise increase enrollment of pupils at the charter schools; and
 - (d) Charter schools whose charter contracts will expire and the likelihood that the charter contracts will be renewed.
3. In addition to the information described in subsection 2, to develop the plan pursuant to subsection 1, the Authority shall consider:
 - (a) Information relating to pupils included in the statewide system of accountability for public schools, including, without limitation, information relating to specific groups and subgroups of pupils;
 - (b) Information relating to the academic needs of pupils in the various geographic areas of the State; and
 - (c) Any other information the Authority deems necessary to determine whether increasing the number of charter schools or expanding the campuses of existing charter schools will best serve the pupils of this State.
4. The Authority, the Department and each board of trustees of a school district in this State shall collaborate in developing the plan pursuant to subsection 1.
5. The Authority shall review the plan at least biennially and revise the plan as necessary.

2023 Growth Management Plan

Staff-Identified Opportunities for Revision

Technical

- Update data (enrollment, academic)
- Update based on board actions, ensure accurate projections for 2022-23 school year
- Conduct a new survey of existing charter holders regarding possible future growth
- Summarize key actions by the Authority in the last two years to further our strategic goals

Substantive

- Reevaluate existing and proposed policies, procedures, capacity, and financial resources

Summary of Feedback from Community Working Group (Spring 2022)

- Suggested strategies to further strategic goals
 - Work on expanding transportation options; engage with parents on this topic
 - Emphasize the relationship between school and real-world context
 - Prioritize diversity when engaging with stakeholders and when thinking about school boards and staff
 - Partner with municipalities
 - Consider reporting on new schools once opened and how they did in meeting their goals
 - Further understand new charter school impacts to school districts (ex. enrollment/financial)

Discussion

SPCSA Goals

- ✓ Provide families with access to high quality schools
- ✓ Ensure that every SPCSA student succeeds – including those from historically underserved student groups
