To State Public Charter School Authority,

RE: Request for Amendment to Charter Application

The purpose of this letter is to formally request a Good Cause exemption from the State Public Charter School Authority (SPCSA) for an amendment to the school's existing charter contract. pilotED Schools of Nevada - Cactus Park Elementary requests to amend their charter contract with the SPCSA in order to:

1. To begin the school year at Nevada Prep as a temporary location in Year 1.
2. To remove transportation services in Year 1 with tentative transportation services in Years 2 and beyond.

The pilotED Schools of Nevada Board has voted on the proposed amendment prior to submission. The temporary location will allow for all students and staff to have an uninterrupted start of the school year while the permanent building completes renovation. The removal of transportation services will allow the school to have a financially viable startup year.

We appreciate the support of the SPCSA staff regarding the required amendment and are asking that good faith exemption be granted and that the request for amendment be approved.

Sincerely,

A handwritten signature in black ink that reads "Karli Casto".
