Welcome!

Eagle Schools of Nevada is a newly authorized K-5 public charter school opening in August of 2023, and growing with our kids to a K-8 campus. With a focus on safe, supportive, and innovative education, we are committed to ensuring all of our students reach their full potential. We reach beyond the standard curriculum. In addition to a robust core curriculum of Math, Science, English, and Social Studies, students will interact with music, arts, engineering, and technology.
