

Board Updates

April 14th, 2023

Pre-Opening Work

- Applied for an account with NVPers (we are on the agenda for NVPERS Board Meeting scheduled for April 20)
- Infinite Campus contract now awaiting board approval
- Pending agreements with Scoot Education and Aces Educators
- Attended the Cesar Chavez Festival to recruit students on Mar 25, 2023
- Visited local libraries and community centers and dropped off school flyers, attending community events to spread awareness
- Hired our office manager and first teacher
- Held our first in-person informational session at the school and two virtual sessions

Conditions for Pre-Opening

- As of 4.7.23, all pre-opening items have been submitted on-time, pending final approval on a couple of items.
- CMO Agreement submitted to SPCSA

Facility Status

- We will cohabitate **Nevada Prep Academy Charter School** for year one.
- Still searching for our long-term facility and working with Charter Schools Development Center (CSDC)

Student Enrollment

- Social media accounts created and Digital ad campaigns on Facebook and Instagram launched Mar 17, 2023.
- As of April 7th, we've had 13 applications submitted through our website, 4 families through phone inquiry, 8 families attend info sessions, approximately 8 prospective families engaged with and interested in enrolling at events.
- Jonathan joined us at our first in-person informational session, and we've had 8 families attend all info sessions combined
- Obtained list of contacts from Bloomwell for potential canvassing to begin on April 14th
- Enrollment window opened on March 18.
- Next in-person info-session is April 18th.
- Prioritizing converting applications to enrollments in coming weeks.

Staff Hiring

- Office Manager hired, to begin June 1st.
- Nicole Jameson hired for English Teacher as first teacher hire, to begin on July 12th.
- Math teacher and Science teacher positions up on indeed
- Continuing interviews for faculty positions

Community Partners

- Waiting on update CSN regarding MOU.
- Discussion will continue with UNLV, Asher College, and the Professional Institute of Technology to also secure partnerships similar to the one with CSN.
- Attended CCSD Student Showcase & Internship Event at Cimarron Memorial High School on 3/20 set up by Workforce Connections Industry Sector Partnerships
- Spoke to UNR representative at Cesar Chavez festival, will contact in the coming week.
- Met with Latin Chamber, City of Las Vegas, Vegas Chamber, Employ NV, Workforce Connections, Leaders in Training, Jobs 4 Nevada's Graduates, and a number of local technology companies to increase our network for student internship opportunities. We will be formalizing agreements between community partners in coming weeks.
