

## July 2023 Southern Nevada Trades High School Update

### Facility

We received our permit for Temporary Occupancy on July 14<sup>th</sup>. We have completed all inspections except Health and Fire Marshall scheduled this week.

### Staffing

We lost our science teacher and CTE teacher. We have a teacher available for the science classes but are searching for CTE.

### Students

We currently have 93 fully enrolled students-an increase of 33 from June. We have 15 awaiting documents and 18 new leads the week of July 20<sup>th</sup>. We continue to work with Latino Outreach to attend Back to School Events as well Effect.org for social media and Spanish Radio.

### Finances

We continue to pursue donations and seem to have a renewed interest from home builders following Lennar's \$250,000.00 donation. Our current total donations to \$2,924,500.00.
