To whom it may concern,

Momentum Strategy & Research has completed a full data check and analysis of Beacon Academy of Nevada's student-level data, recreating the computations needed for the school's 2021-2022 and 2022-2023 SPCSA Report Cards. In a few instances, Momentum identified a couple of formula errors to the original computations, which were corrected by Beacon. Both Momentum and Beacon re-ran final analysis for the results, which were then found to match to within on tenth of one percent of each other.

Please feel free to reach out to our Vice President of Research and Policy Analysis, Dr. Jody Ernst, if you have any questions. Jody can be reached at [jernst@momentum-sr.org](mailto:jernst@momentum-sr.org) or (303) 229-4289.
