This is Mallory OLoughlin, I called in right when you asked for comments but the board moved so quickly I wasn't able to make my comment. I am a teacher at Eagle and I would like to suggest that the board allow Eagle admin to inform teachers this weekend of the school closure. Teachers were meant to start PD on Monday, and deserve to know we have lost our jobs and will need to begin looking for other employment. Jai and Jose have bravely led us through the year and should be allowed to communicate this to us directly and swiftly.
