Good evening,

I just wanted to reach out and talk about my experience with Eagle Charter school and why I chose to have my son return this year. I moved here from North Carolina last year and was unsure about enrolling my son in CCSD. I was looking for something similar to what my son was used to. He went to a charter school in North Carolina and I was pleased with their way of learning. I was a bit hesitant as this was a new school but the dedication of the teachers and Principle eased my nerves. My son loves the school and I see him thriving. I hope to continue with Eagle Charter School in the future.

Thank you for your time,

Annahi Alfaro
