I am writing in support of Eagle Charter Schools. I believe it would be a grave injustice to the community Eagle serves if it is not allowed to continue its mission. It is not possible for Eagle to fail in a single school year. What is possible during that time frame is to make mistakes. Mistakes can and will be corrected.

This as you know is a long and arduous process. No one invests so much time, effort, energy, and yes passion to be killed in its infancy. As a grandparent I have witnessed the hard work, enthusiasm and sheer joy of seeing Eagle's doors open.

Finally, obstacles only exist to be overcome. I say to you with full confidence; whatever difficulties you have identified are fully solvable. I believe it to be unfair to take any harsh and final actions at this point. I ask for adjudication in favor of Eagle's continuation.

Respectfully submitted,

S. B. Garcia
