# School Information

- Grade level(s)
  - K-12
  - Elementary - 1 star
  - Middle School - 2 stars
  - High School - 3 stars
- Demographics
  - 70+% Black 20+% Hispanic
  - 100% Title I
  - SPED: 12.3%
  - ELL: 10%

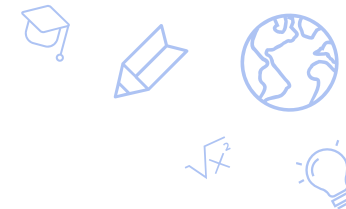

# Academic Goal- Elementary School

- DPACES will increase math and ELA SBAC scores by 10 percent.
  - Math 2023/24 SY - 27%
  - Math 2024/25 SY - 37%
  
  - ELA 2023/24 SY - 28%
  - ELA 2024/25 SY - 38%

# Academic Goal- Middle School

- DPACMS will increase math and ELA SBAC scores by 10 percent.
  - Math 2023/24 SY - 14%
  - Math 2024/25 SY - 24%
  
  - ELA 2023/24 SY - 35%
  - ELA 2024/25 SY - 45%

# Measurable Action Steps

**Since the start of the 24/25 SY we have:**

- Implemented SBAC aligned tutoring
- Implemented SBAC aligned end of quarter assessments
- Shifted the daily schedule to include daily intervention
- Shifted staffing to have dedicated intervention teachers
- Shifted weekly school schedule to include weekly teacher PD
- Increased staffing to include more teacher coaching positions to provide teachers with 4-5 hours of coaching and development weekly

**We measure the success of these steps via:**

- Weekly data analysis
- Data driven teacher observation and walkthrough strategies
- SBAC aligned practice exams 3 times a year
- Consistent revisiting of action plans and realignment of execution of strategies based on student gathered data, including crafting and providing teachers with re-teach lessons after each SBAC practice exam
- Providing regular updates on data and collaborative action planning with the DPAC Board.
