**School Highlight**

School safety and security are critical operations that happen behind the scenes and often go unacknowledged. This month, we want to highlight an individual who orchestrates quarterly safety and security training for anyone in the SPCSA who wants to attend, Tony York. Tony recently received the 2025 National School Safety Lifetime Achievement Award at the National School Safety Conference. This prestigious recognition honors Tony's outstanding dedication and long-standing commitment to ensuring the safety and well-being of students, staff, and school communities.

We would highly encourage any schools not participating in the quarterly meeting to send a representative. This year's meeting will be from 9:30 to 11:00 on the following dates:

- August 27, 2025
- November 19, 2025
- January 28, 2026
- April 8, 2026

**Delinquent PERS Update**
