

**FUTUREEDGE**  
CHARTER ACADEMY

Dear Ms. Mackedon,

On behalf of **100 Academy SET MS dba FuturEdge Charter Academy Middle School with the MSID of 2364**, we are writing to formally communicate our intent to apply for a charter sponsorship transfer from the Clark County School District to the State Public Charter School Authority (SPCSA). This transfer is vital as it aligns with our long-term strategic goals. Following the guidelines outlined in the 2024 Charter Sponsorship Transfer Application, we submit this letter of intent before the formal application submission.

We understand that this notification will initiate the process, and we are prepared to submit our application on November 24, 2024. In alignment with your guidance, we would like to identify **Ms. Kristen Guthrie**, Principal, is the designated liaison for this transition process. The liaison will be the primary contact and will be assigned an Epicenter login to facilitate communication and document submission.

The letter of approval from the District's Governing Board is attached. We appreciate your attention to this matter and look forward to successfully collaborating with you and the SPCSA team during this process. We are confident that with your guidance, this transition will be smooth and beneficial for all parties involved.

Sincerely,

A handwritten signature in black ink, appearing to be the name of the Board President.
