ACTION MEMORANDUM

TO: SPCSA Board
FROM: Katie Broughton, Director of Authorizing
Danny Peltier, Management Analyst III
SUBJECT: Transfer of Sponsorship: Odyssey Charter School
DATE: January 24, 2025

Background and Summary

Odyssey Charter School has applied to transfer charter school sponsorship from the Clark County School District (CCSD) to the State Public Charter School Authority (SPCSA). Odyssey is a public charter school educating 2370 students in grades K – 12 in Clark County.

The mission of the school is to celebrate the uniqueness of each student and their family. Using individualization and sound instructional practices, Odyssey fosters each student’s academic achievement and life success.

On October 23, 2024, Odyssey submitted their Letter of Intent to apply for transfer, and the completed application was submitted to the SPCSA on November 20, 2024.

After a thorough review of the historical data and the Charter School Sponsorship Transfer Application, staff recommend that the Authority approve the charter sponsorship transfer of Odyssey, and that the school be given a 6-year charter contract.

The Process Related to Charter School Sponsorship Transfer Application and the Standards Under Which an Application for Sponsorship Transfer Will be Granted

SPCSA staff began meeting with Clark County School District representatives and their charter schools in the spring of 2024 to discuss the transfer process and timelines. Schools were granted access to Epicenter to make operational decisions and determine if additional staffing was required to transfer to the SPCSA successfully. The Authority approved the Charter School Sponsorship Application on August 23, 2024, and that information was shared with the CCSD Charter Schools. SPCSA staff met with Infinite Campus on September 3, 2024, to outline the necessary procedures to transfer the CCSD charter schools from the

CCSD Infinite Campus to the SPCSA Infinite Campus. It was determined that if CCSD charter schools were going to transfer sponsorship in time for the 2025 –2026 school year, they would need to submit their applications by November 2024.

At least fourteen days before submitting their application, each charter school notified SPCSA staff of its intent to apply and identified a liaison. Schools submitted their board-approved application by November 24, 2024. Those applications included detailed narratives about the school's academic program and any achievement gaps in student outcomes, financial data, student demographics, family engagement, and the governing board. If the school contracts with a CMO or EMO, that information was also included. SPCSA staff gathered and reviewed each school's CCSD Performance Framework and site evaluation reports.

Final recommendations to the Authority are based on [R073-23](#), including evidence that the school is in sound financial condition and is meeting standards on the Nevada School Performance Framework (NSPF) or that the request for change in sponsorship has been approved by the current sponsor. When determining charter school contract length, the following guidelines were used:

Term Length	Description
3-5 years	Inconsistently meets performance expectations
6 years	Consistently meets performance expectations
7-10 years	Exceeds performance expectations

The Authority Board may approve a charter contract for a term of three (3) to ten (10) years or deny the request for sponsorship transfer.
