Authority

Creation and Purpose

The purpose of the State Public Charter School Authority is to:

" **Authorize charter schools of high-quality** throughout this State with the goal of expanding the opportunities for pupils in this State, including, without limitation, pupils who are at risk.

Provide oversight to the charter schools that it sponsors to ensure that those charter schools maintain high educational and operational standards, preserve autonomy and safeguard the interests of pupils and the community.

Serve as a model of the best practices in sponsoring charter schools and foster a climate in this State in which all high-quality charter schools, regardless of sponsor, can flourish. "

Strategic Plan

2019 through 2024

Nevada State Public Charter School Authority

Vision

Equitable access to diverse, innovative, and high-quality public schools for every Nevada student.

Mission

The SPCSA sponsors, supports, and oversees dynamic and responsive public charter schools that prepare all students for academic, social, and economic success.

Nevada State Public
Charter School
Authority

STUDENT FOCUSED

We put what is best for students at the center of our work and honor the critical role that families play in student success.

LEADERSHIP

We earn the public's trust by holding our agency to the highest standards and investing in our growth and development.

EXCELLENCE THROUGH IMPROVEMENT

We establish clear, high expectations and constantly seek growth for ourselves and foster improvement for our schools.

OUR VALUES

EQUITY & DIVERSITY

We are committed to ensuring equitable access for students from all backgrounds and value the voices of all members of our community.

TRANSPARENCY

We promote transparent and open communication and make school performance data accessible to all stakeholders.

ACCOUNTABLE AUTOMONOMY

We provide our charter schools with the autonomy to innovate in the best interests of students while holding them accountable for academic results, financial performance, and legal compliance, so that students, families, and taxpayers can be confident in the quality of the schools we sponsor.

Academic Performance Framework

- The SPCSA adopted an Academic Performance Framework (APF) in 2019 that is based on:
 - School Index Score (NSPF);
  - Performance comparisons (NSPF index score) to the local school district and nearby school; and
  - Enrollment diversity compared to the local school district.

Site Evaluations

- The SPCSA conducts site evaluations at each school campus, at minimum, in the first, third and fifth years of the charter contract.

- Each site evaluation involves document submissions, classroom observations, and focus groups.

- For the 2024-25 school year, the SPCSA has 62 site evaluations scheduled, with 29 complete as of January 1, 2025.

Organizational Performance Framework

- The SPCSA approved an Organizational Performance Framework (OPF) in 2019 with five major categories:
  - Education Program
  - Financial Management and Oversight
  - Governance and Reporting
  - Students and Employees
  - School Environment
- The Organizational Framework takes into account over 40 annual compliance requirements and is focused on answering the question: *Is the organization effective and well run?*
- For the 2023-2024 school year, 88% of charter holders met standards on the Organizational Performance Framework.

Financial Performance Framework

- The SPCSA approved a Financial Performance Framework (FPF) in 2019 with four near-term measures and four sustainability measures.
- The Financial Framework is focused on answering the question: *Is the school financially viable?*
- For the 2022-2023 school year, 68.2% of charter holders met standards on the Financial Performance Framework. Ratings for the 2023-24 school year will be presented at a future board meeting.

Graduation rates are from the Nevada Department of Education (NDE) class of 2023-24 4-year adjusted cohort graduation rates. To protect student privacy, rates associated with populations >0 and <10 students are displayed with an asterisk (*), and rates >0 and <5, or >95, are shown as <5.0 and >95.0, respectively. N/A indicates the population did not exist. "SPCSA Excluding APF Sch" shows SPCSA rates excluding SPCSA schools rated on the Nevada Alternative Performance Framework (APF), which serve unique student populations such as those that are credit deficient.
