ACTION MEMORANDUM

TO: SPCSA Authority Board
FROM: Danny Peltier, Management Analyst III, SPCSA
SUBJECT: Nevada State High School - Flagship – Charter Amendment Request to Reduce Enrollment Cap
DATE: March 7, 2025

Summary of Request and Recommendation

Nevada State High School Flagship (NSHS) has submitted an amendment application requesting that the State Public Charter School Authority (SPCSA) grant a Good Cause Exemption and approve the school reduce its enrollment cap at the Downtown, Downtown Henderson, North Las Vegas, Summerlin, and Sunrise campuses.

SPCSA staff has reviewed the application and recommends that the Authority grant the Good Cause Exemption and approve the amendment request. A proposed motion can be found on page of 4 this memo.

Background and Overview of the Amendment

NSHS is a college-prep public charter school that serves students in grades 11-12 across eight campuses in Clark County. NSHS's mission is to support students in a college environment with personal, academic, and social skills. The core purpose of NSHS is to provide opportunities for students' success in a real college environment. As of the 2024 Validation Day, NSHS had 777 students across the eight campuses.

NSHS opened in the fall of 2004-2005 with 40 students. According to the amendment application, NSHS is requesting to reduce its approved enrollment cap at the Downtown, Downtown Henderson, North Las Vegas, Summerlin, and Sunrise campuses for the 2024-2025 school year and beyond. If approved, the enrollment caps for the NSHS campuses would be:

School Year	2024-25	2025-26	2026-27	2027-28	2028-29
Las Vegas Downtown

According to the amendment application, NSHS is seeking to make the requested changes to align to the current and projected enrollment counts, for this year and beyond. NSHS listed several efforts to increase enrollment in the coming years. According to the amendment application, those efforts include:

- In October 2024, the NSHS Governing Body approved a one-time budget investment in brand awareness and marketing for the 2024-2025 school year for a total marketing budget of \$200,000.
- NSHS has implemented incremental improvements in the application process which have resulted in a 15% increase in application conversions.
- NSHS has contracted with a media production company to create high-quality video commercials to be used in a variety of formats and locations, including but not limited to advertisements on online video streaming services and online social media platforms.
- NSHS continues to advertise on social media platforms and search engines, including Facebook, Instagram, Google search and Tik-Tok.
- NSHS has contracted with the RTC to place advertising on buses and in bus shelters across the Las Vegas valley, focusing heavily in neighborhood areas that are traditionally underserved.
- NSHS relocated its Summerlin campus in August 2024 closer to CSN West Charleston and to traditionally underserved neighborhoods.
- NSHS has campaigns established for digital advertising on electronic billboards.

- NSHS is averaging one grassroots community/marketing event weekly to engage potential students and build brand awareness.
- NSHS installed colorful, engaging window wraps at campuses to increase conversion from foot traffic.

NSHS explained in the application that NSHS does not rely on grants/donations/fundraising to maintain its budget. Budget assumptions are generally based upon 5% YOY. Enrollment is not anticipated to impact staffing as the school bases staffing on actual enrollment and not enrollment caps.

Legal Authority and Requirements Related to Amendment Requests

Existing charter schools that are sponsored by the SPCSA may submit a charter school contract amendment application to the SPCSA – which is reviewed by SPCSA staff and presented for SPCSA Board action – in order to, among other things, increase enrollment, add grade levels above and beyond what the charter school is approved to serve, or add a new campus. When determining whether to approve an amendment request, the sponsor considers the charter school’s compliance with applicable local, state and federal laws and regulations and evidence relating to the academics, finance and organization of the charter school.¹

Analysis and Staff Recommendation

When reviewing an amendment application, SPCSA staff reviews the academic, financial and organizational performance of the applicant charter school. In the case of NSHS Flagship, SPCSA staff finds the school to be meeting academic, financial and organizational performance expectations for all campuses. NSHS has maintained strong academic performance as evidenced by the NSPF ratings earned by multiple campuses. All eligible campuses earned a 4 or 5-star rating according to the most recent NSPF ratings. The NSHS Flagship campuses were also found to be meeting or exceeding standards on the 2023 – 24 SPCSA Academic Performance Framework.

Additionally, the NSHS earned 98 points (out of 100) under the SPCSA Organizational Performance Framework for the 2023 – 24 school year as approved by the Authority on October 4, 2024. As such, SPCSA staff finds the school to be ‘Meeting Standards.’ NSHS has also been found to ‘Meet the Standards’ on the most recent 2023 SPCSA Financial Performance Framework and preliminary results under the 2024 SPCSA Financial Performance Framework appear to signal that the school is in a sound financial position.

¹ NAC 388A.400(8) and NRS 388A.276.

SPCSA staff is supportive of the request by NSHS. NSHS made necessary adjustments to its budget and shows no sign of financial trouble. NSHS has a strong track record and continues to operate successful schools in Clark County. Therefore, SPCSA staff recommends the Authority approve the request to reduce the enrollment cap for NSHS for the 2024-2025 school year and the remainder of the charter term.

Proposed Motion: Grant the Good Cause Exemption request and approve NSHS Flagship’s request to reduce its approved enrollment cap for the for the 2022-2023 school year and to reduce enrollment caps in the remainder of the charter term as detailed in this recommendation memo.

If approved, the enrollment caps for each NSHS Flagship campus will be as follows for the remainder of the charter term:
