Subject: Please approve DBAE's additional grade levels...

WARNING - This email originated from outside the State of Nevada. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Hello, my name is Ashleigh Johnson and I am a parent of a child who is enrolled in charter schools. I am here to share about DBAE and how I believe my future 4th grader will benefit from their arts integrated curriculum. My child enjoys drawing, playing electric guitar, singing, and acting. DBAE is a place where he would be able to express himself, enjoy hands-on experiences, smaller class sizes, and the arts. Please approve DBAE's additional grade levels for the 25/26 school year. Thank you for your time and consideration.
