This Purpose Leadership Academy is more than a name it is true to its meaning and purpose Love this and looking forward to apply to assist in the work and meeting the needs of our Nevada students and families. Thank you for the great work in this development. Can we be assisted to serve and apply with our NDE as sponsors and fiscal leaders in the work, but me and my team help operate and run the Academy from lived experienced, previous directors, owners and teachers looking to expand and complete the work needed here in Nevada. Is there a technical assistant person to assist organizations and leaders interested in leading in the work and managing this particular charter and school purpose?
