Dear Charter School Governing Body:

On behalf of the Governing Body of Elko Institute for Academic Achievement (EIAA), please accept this The Letter of Intent to serve as our notice for a charter renewal to the existing charter due to expire on June 30, 2026.

Under our current charter contract, EIAA provides educational services to grades kindergarten through eighth grade with each grade consisting of two classrooms with 22 students each. This structure will continue for the next several years. The school address has changed from 1031 Railroad Street, Elko, NV. 89801 to 905 W. Main since the last application was approved. The new address will remain the same moving forward. EIAA opened our new facility in the 24-25 school year allowing us to increase the student population to the approved 396.

Thank you in advance for your consideration on this matter, and we look forward to working with you in order to continue offering our students with the highest level of education opportunities.

Sincerely,

Nate Mildren
Board President
