ACTION MEMORANDUM

TO: SPCSA Board
FROM: Melissa Mackedon, Executive Director
Katie Broughton, Director of Authorizing
SUBJECT: Recommendations for FuturEdge Charter Academy Based on 2024-2025
Academic Performance
DATE: November 14, 2025

The Nevada Department of Education recently released the Nevada School Performance Framework (NSPF) results for the 2024-2025 school year. All public schools in the state of Nevada are issued a star rating when all required data points are available. Additionally, all SPCSA-sponsored charter schools are evaluated on the SPCSA Academic Performance Framework (Framework), pursuant to [NRS 388A.273](#). The Framework provides additional metrics beyond the NSPF that examine charter school performance versus schools in their zip code, chronic absenteeism reduction, and student group performance in growth and graduation rates.

Any charter school demonstrating underperformance that could trigger revocation proceedings within the next three to five years, if academic performance does not improve, should be issued a formal Notice to ensure that the school and its governing board are aware of the concerns ([NRS 388A.300](#) and [388A.330](#)). Underperformance, as defined in [NAC 388A.350](#), includes any school that receives a 1- or 2-star rating on the NSPF or that has not complied with the SPCSA Academic Performance Framework. The Authority has three levels of intervention when schools do not meet these academic standards: Notice of Concern, Notice of Breach, and Notice of Intent to Terminate.

SPCSA staff recommends issuing Notices of Breach to campuses with two, consecutive 1-star NSPF ratings.

The academic performance of FuturEdge Charter Academy for the last three school years is provided below.

FuturEdge Charter Academy	2022-2023 Index Score and Star Rating	2022-2023 SPCSA Framework	2023-2024 Index Score and Star Rating	2023-2024 SPCSA Framework	2024-2025 Index Score and Star Rating	2024-2025 SPCSA Framework
Elementary School	27.5 2-star	Not Rated	19 1-star	Not Rated	17 1-star	18.1 <i>Below Standard</i>
Middle School	39.4 2-star	Not Rated	30 2-star	Not Rated	37.2 2-star	52.6 <i>Meets Standard</i>

For the 2024-2025 school year, the FuturEdge Charter Academy elementary school received a second, consecutive 1-star NSPF rating and a *Below Standard* rating on the SPCSA Academic Performance Framework. Based on this academic performance, SPCSA staff recommends issuing an academic Notice of Breach.

FuturEdge Charter Academy transferred from Clark County School District to SPCSA sponsorship on July 1, 2025, and is therefore not currently under SPCSA academic notice. The elementary school's 1-star NSPF rating for 2024–2025 is its second consecutive 1-star rating. As a result, the elementary campus (grades K-5) may be at risk of mandatory charter termination if it receives another 1-star rating for 2025–2026, as outlined in [NRS 388A.300](#). Accordingly, SPCSA staff recommends placing the school on the intervention ladder at the level of a Notice of Breach rather than the typical initial Notice of Concern.

Given this recommendation, SPCSA staff will ensure the school is scheduled for a site evaluation for the 2025-2026 school year to carefully review the school's performance. The school must also include an academic goal in their School Performance Plan. This academic goal should measurably impact student academic performance.

Additionally, per [NRS 388A.367](#), any school rated 1- or 2- stars is required to mail a written notification to the parent or guardian of each pupil enrolled that includes information on the school's star rating and a list of other public schools to which a pupil may transfer if the charter school closes or adopts changes which a parent or legal guardian finds unacceptable. The school must also post a notification on their website. Finally, [NRS 388A.367](#) requires the governing body of qualifying public charter schools to hold a public hearing within 30 days of sending out the required notification so as to provide all stakeholders the opportunity to discuss actions and solicit feedback for continued academic growth and improvement. Staff has been monitoring compliance with these statutory requirements.

Proposed Motion: Issue an academic Notice of Breach to FuturEdge Charter Academy elementary school for the 2024-2025 school year.
