**ACTION MEMORANDUM**

---

**TO:** SPCSA Board  
**FROM:** Katie Broughton, Director of Authorizing  
Danny Peltier, Management Analyst III  
**SUBJECT:** Futuro Academy – Charter Renewal Recommendation  
**DATE:** November 14, 2025

---

**Background and Summary**

Futuro Academy submitted an application to renew its charter contract as the current charter contract expires on June 30, 2026. Futuro Academy is a brick-and-mortar public charter school that currently serves 484 students in kindergarten through 5<sup>th</sup> grade on one campus in Clark County.

After a thorough review of the historical data and charter renewal application, SPCSA staff recommends that the Authority approve the charter renewal of Futuro Academy for a six-year term, beginning July 1, 2026.

**The Process Related to Renewal Applications and the Standards Under Which an Application for Renewal of a Charter Contract Will be Granted**

The first step in the renewal process is the submission of a renewal report by SPCSA staff to the charter school<sup>1</sup>. Specifically, on or before June 30 immediately preceding the final school year prior to expiration of a charter school's charter contract, the SPCSA submits to the governing body a report regarding renewal. The Futuro Academy renewal report was sent to the school leader and board chair on June 26, 2025, and can be found within the supporting documentation for the item.

The renewal report summarizes the performance of the charter school under the terms of the charter contract, identifies any deficiencies related to performance of the charter school that might lead to non-renewal of the charter contract, sets forth the requirements of the renewal application, and identifies the criteria that the sponsor will apply when making a renewal determination. The charter school may submit a response to the renewal report<sup>2</sup>.

Next, the governing body of the charter school must submit a written notice of intent to submit an application for renewal to the SPCSA 45 days prior to submitting a renewal application<sup>3</sup>. Futuro Academy submitted its notice of Intent to Renew

its charter contract on September 1, 2025, and the notice of intent to renew can be found with the supporting documents.

The window to submit the actual renewal application is October 1 through October 15. The application for renewal must include, without limitation<sup>4</sup>:

- (a) The requirements for the application identified by the sponsor in the performance report prepared by the sponsor;
- (b) A description of the academic, financial and organizational vision and plans for the charter school for the next charter term;
- (c) Any information or data that the governing body of the charter school determines supports the renewal of the charter contract in addition to the information contained in the performance report prepared by the sponsor and any response submitted by the governing body; and
- (d) A description of any improvements to the charter school already undertaken or planned.

Futuro Academy submitted its renewal application, which can be found with the supporting documents, on October 15<sup>th</sup>.

The Futuro Academy renewal application describes the key design elements of the school. Futuro Academy is a K-5, public charter school. The shared actions of teachers and staff are founded on the central beliefs that a high-quality college preparatory education is an essential right of all students. Students engage in rich educational activities in a high-expectations environment with high-quality instruction with data-driven decision making by teachers.

Decisions to renew a charter school contract or deny a renewal application are made and based upon Nevada's charter school statutes and regulations; the collective record of a school's academic, financial, organizational frameworks; findings from the site evaluation process; and all data and information provided by the Department of Education<sup>5</sup>. It is important to note that no factor may be given more weight than the academic performance of pupils at the charter school<sup>6</sup>. As such, the academic performance of the charter school is the touchstone of any renewal decision.

In making its recommendation to the Authority regarding a renewal application, SPCSA staff considers the past performance of the charter school, including information contained in the application for renewal, any site evaluations, the academic achievement of pupils, and any other information that is determined to be relevant to whether the charter contract should be renewed, including financial and organizational performance<sup>7</sup>.

When determining whether to grant an application for renewal of a charter contract, the Authority Board considers the foregoing factors and any other information that the Authority Board determines is relevant to whether the charter contract should be renewed. The Authority Board will consider the "totality of the evidence" presented to it when making a renewal decision<sup>8</sup>. Again, as stated above, no factor is to be given more weight than the academic performance of pupils at the charter school.<sup>9</sup>

The Authority Board may accept or reject, in whole or part, the recommendation of the Executive Director<sup>10</sup>. At its sole discretion, the Authority Board may renew a charter contract for a term of three (3) to ten (10) years or deny the renewal application<sup>11</sup>. Alternatively, the Authority Board may deny the renewal application for the purpose of reconstituting the governing body of the charter school or restarting the charter school and issuing a new charter contract pursuant [NRS 388A.330](#)<sup>12</sup>.

## Analysis

### Academics

Futuro Academy currently offers instruction at the elementary school levels, grades K-5, at one campus. As demonstrated by three Nevada School Performance Framework and SPCSA Academic Framework ratings over the current charter contract term, academic performance has been mixed, however, over the last two years, the school has met state and SPCSA academic standards.

As the Authority is aware, NSPF school ratings and accountability for the 2019–2020 and 2020–2021 school years were carried over from the 2018–2019 reporting year. Star ratings were not calculated for the 2021–2022 school year due to lack of data brought on by the COVID-19 pandemic as approved by the U.S. Department of Education<sup>13</sup>, but the Nevada Department of Education published index scores<sup>14</sup>.

The Authority adopted its own Academic Performance Framework in 2019<sup>15</sup> and most recently revised in July 2025. Full results for Futuro Academy’s NSPF and SPCSA Academic ratings through the entirety of the charter term can be found below.

<sup>13</sup> Page 72 of the [NSPF Technical Manual](#).

<sup>14</sup> According to the NSPF technical guide released by the Nevada Department of Education, star ratings were not calculated for the 2021–2022 school year in accordance with flexibility offered in the U.S. Department of Education’s addendum to Nevada’s consolidated state plan due to COVID-19. Star ratings will resume in 2023.

<sup>15</sup> Despite being adopted in 2019, results under the SPCSA Academic Performance Framework were not adopted for the 2019–2020 and 2020–2021 school years due to the COVID-19 pandemic and the lack of NSPF scores. 2021–2022 was the first academic year with reported scores.

<sup>16</sup> Preliminary until SPCSA board action on November 14, 2025.

### *Organizational*

The SPCSA's Organizational Performance Framework was adopted by the Authority in the summer of 2019 and most recently revised in July 2024. The organizational health and performance of the school has been relatively strong over the current charter term. Futuro Academy was rated as 'Meets Standard' on four out of five SPCSA Organizational Performance Framework cycles throughout the current charter term.

SPCSA Organizational Framework Findings:

| Year        | Findings & Framework Results |
|-------------|------------------------------|
| 2020 – 2021 | Meets the Standard           |
| 2021 – 2022 | Meets the Standard           |
| 2022 – 2023 | Meets the Standard           |
| 2023 – 2024 | Meets the Standard           |
| 2024 – 2025 | Out of Compliance            |

### *Financial*

The SPCSA Financial Framework was adopted in January 2019 and most recently revised in August 2025. Regarding the financial performance and viability of the school, SPCSA staff finds the financial performance of Futuro Academy to be strong. The school has been rated as 'Meets the Standard' on all SPCSA Financial Performance Framework cycles throughout the current charter term.

SPCSA Financial Framework Findings:

| Year        | Findings & Framework Results |
|-------------|------------------------------|
| 2020 – 2021 | Meets the Standard           |
| 2021 – 2022 | Meets the Standard           |
| 2022 – 2023 | Meets the Standard           |
| 2023 – 2024 | Meets the Standard           |

### **Recommendation: Renew Futuro Academy for a 6-year term.**

As described above, Futuro has exhibited stronger academic performance over the latter portion of the charter term, consistently earning at least 3-star ratings. The elementary school program has historically met performance expectations according to the NSPF for the majority of the charter term. This level of performance was reaffirmed by the 2022–2023, 2023–2024, and 2024–2025 SPCSA Academic Performance Framework ratings, as well as the star ratings issued by the Nevada Department of Education for the 2022–2023, 2023–2024, and 2024–2025 school year.

Futuro Academy has not exhibited any major organizational or financial performance concerns over the course of the current charter term.

Ultimately, because the academic performance of Futuro has been consistently at or above expected performance levels throughout the current charter term, SPCSA staff recommends that the Authority renew Futuro Academy for a six term, beginning July 1, 2026. The new term would be subject to the enrollment caps outlined below.

| School Year  | 2026–2027 | 2027–2028 | 2028–2029 | 2029–2030 | 2030–2031 | 2031–2032 |
|--------------|-----------|-----------|-----------|-----------|-----------|-----------|
| Grade Levels | K – 5     | K – 5     | K – 5     | K – 5     | K – 5     | K – 5     |

|                |     |     |     |     |     |     |
|----------------|-----|-----|-----|-----|-----|-----|
| Enrollment Cap | 450 | 450 | 450 | 450 | 450 | 450 |
|----------------|-----|-----|-----|-----|-----|-----|

**Proposed Motion**

Approve the Futuro Academy Renewal Application for a six-year term beginning July 1, 2026, and the enrollment caps as outlined above in the recommendation memo. In the event of academic, financial or organizational underperformance, the Authority may impose additional oversight.
