To Whom It May Concern:

Please accept this letter as formal notification of Explore Academy - Las Vegas' intent to seek renewal of its charter contract. We will submit our comprehensive charter renewal application to your office by the required deadline date. As you know, the school has been serving grades 6-12. We intend to apply to continue serving those grades at the same facility (see address above).

Please note that the 2024 application was the one posted on the website. At this time, we are unable to reach the website at all. Can you please send a copy of the 2025 Charter Renewal Application to us?

Explore Academy - Las Vegas has been proud to serve the North Las Vegas community and are pleased with the growth shown by our students. We are committed to working collaboratively with you throughout the renewal process.

Thank you for your consideration.
